Oregon Health & Science University
M/C KPV4
3181 SW Sam Jackson Park Rd
Portland, OR 97239-3098

Dear Dr. Thomas:

I am pleased to inform you that the Board of Directors of the Radiological Society of North America has appointed you to serve as a member of the Radiation Oncology & Radiobiology Subcommittee of the Scientific Program Committee (SPC) for a three-year term beginning at the conclusion of the 2012 Annual Meeting.

The subcommittee, which will be chaired by Dr. Nina Mayr, is responsible for reviewing and selecting all scientific papers in Radiation Oncology & Radiobiology proffered for the Annual Meeting within budgetary and space limitations and is responsible for the organization of special symposia. Dr. Matthew Mauro will serve as Chair and Dr. Jon Jacobson will serve as Vice-Chair of the 2012-13 Scientific Program Committee.

The deadline for submission of abstracts for the 2013 Annual Meeting is April 10. Following the normal pattern, most abstracts will arrive on the deadline, which means that the last few weeks of April and the early part of May will require your heaviest commitment of time.

Enclosed is a Committee Appointee Data Sheet. Please complete this form and email or fax to the attention of Debra Brody at dbrody@rsna.org or 630-590-7716 by November 12, 2012.

As a member of the Radiation Oncology & Radiobiology Subcommittee you are involved in CME program planning activities and in order to fulfill requirements to maintain RSNA's ACCME accreditation, we must obtain a signed financial disclosure form from you for our files. This form should also be returned to Debra Brody. Enclosed for your information is a copy of the RSNA Conflict of Interest and Confidentiality Policy.

We are hopeful that you will be able to accept this appointment and look forward to hearing from you. On behalf of the Board, thank you for your service to the Society in this important role.

Sincerely,

N. Reed Dunnick, MD

N. Reed Dunnick, MD
Chairman of the Board

cc: Chung T. Chung, MD, Chairman, Radiation Oncology & Radiobiology/SPC
