Scientific Formal (Oral Paper) Presentations Status

Monday, July 15, 2013

Status: **Accepted for presentation.**

ID Number: 13042969

Paper Number: SSJ25-02

Title: Outcomes of Stereotactic Body Radiotherapy (SBRT) Treatment of Skeletal Muscle/Soft Tissue Metastases

Dear Dr. Cope:

We are pleased to inform you that your scientific submission has been accepted for presentation as a scientific oral paper at the 99th Scientific Assembly and Annual Meeting of the Radiological Society of North America, to be held December 01 - 06 in Chicago, Illinois. Please click on the link(s) above to review. Changes to the author/presenter information can be made up to July 29 (12 Noon Central Time). After that date only presenter changes can be made for the online program (email programs@rsna.org) but cannot be included in the printed program. To view or print a copy of the original abstract submission, please return to your 'welcome' screen (home), and click the View icon, then the Print icon.

Important Notice: If the abstract listed above is accepted to be published/presented elsewhere prior to the RSNA Annual Meeting, it is no longer eligible and must be withdrawn unless you have already received prior approval. Please contact the RSNA Program Services Department (programs@rsna.org) immediately to discuss this matter. The RSNA Policy on Previously Presented or Published Abstracts requires that all scientific abstracts scheduled for presentation at its annual scientific assembly be **original work, not previously presented** at other national or international radiological society meetings and **not previously published**.

English is the official language of the RSNA meeting. If you are not comfortable answering questions in English, the RSNA asks that a colleague who is fluent in English come with you to help in understanding and responding to questions.

Registration and Housing: Registration and hotel reservations are the responsibility of the individual presenter. Register online today at RSNA.org/register by clicking the RSNA Members & Presenters button. In order to obtain your complimentary presenter registration, you must log in using your RSNA member username/number or non-member presenter submission site customer (user) ID. Please see HELP-Registration and Housing or RSNA.org/register for additional information.

International Participants: Personalized invitation letters are available for request during online registration or at http://rsna.org/International_Visitors.aspx. This section of the annual meeting web site also includes important information about the visa application process. It is recommended that you start the visa process now.

Authors are encouraged to submit the original paper resulting from their scientific paper presented at the RSNA meeting to *Radiology Manuscript Central* - (mc.manuscriptcentral.com/rad) or *Medical Physics* (medphys.peerx-press.org/cgi-bin/main.plex).

On behalf of the Board of Directors and the Scientific Program Committee, thank you for your valuable contribution and continued support of the RSNA.

Sincerely,

Matthew A. Mauro, MD

Jeffrey H. Siewerdsen, PhD

Chairman
RSNA Program Committee

Chairman
AAPM Program Committee

Congratulations on having your scientific research accepted for presentation at the 99th Scientific Assembly and Annual Meeting of The Radiological Society of North America, December 01 - 06!

RSNA does not require that manuscripts from scientific papers and scientific posters presented at this meeting be submitted to *Radiology* or *Medical Physics*. However, we strongly encourage you to submit your manuscript for review and possible publication in one of these journals.

If you choose to submit your manuscript to *Radiology*, please do so electronically at *Radiology* Manuscript Central (mc.manuscriptcentral.com/rad). Manuscripts for *Medical Physics* can be submitted electronically at <http://medphys.peerx-press.org/cgi-bin/main.plex>. These sites can be accessed from anywhere in the world, 24 hours a day.

It is important that you prepare your manuscript according to the guidelines found in the journal to which you are submitting your material. Please pay special attention to this item.

We welcome your submission and thank you for your support of our journals.

Sincerely,

Herbert Y. Kressel, MD
