

Intro to Surgery II (SURG 705D)

Elective Requirements

In order to receive 1 credit for the *Intro to Surgery II (SURG 705D)* elective, the student must complete *all* of the following. Please print out the second page and complete a short description listing specific details of events (surgical case seen/presented, volunteer function, VirtuOHSU lab procedure, etc.), and receive required signatures for each. Completed forms are to be turned in to Marci Jo Carlton, Medical Student Coordinator (Mac Hall 3168). Last day to turn in forms is Friday, May 30th.

Suture Workshop Facilitator: Faculty preceptor: Dr. Slate Wilson

A month-long suture and knot tying skills course, held 4 consecutive Thursdays from 1200-1300. Facilitators act as an assistant teacher to students that have questions or request assistance with knot tying and suturing technique during the session. Students must facilitate two sessions.

Lecture Series:

SIG lectures are given by surgery attendings/faculty, residency directors, clerkship advisors, etc. about how to best prepare for, and what to expect, as you approach surgery as a medical student and beyond. They most often occur during the noon-hour. See Sakai calendar for specific dates/details. Students must participate in at least **one** session.

OR Time:

Observe at least **two operations** for at least **two hours each**. Signatures must be received from the attending physician or resident involved in the case.

Volunteering:

Volunteer at a minimum of **two SIG related events**. This may include: VirtuOHSU labs held for visiting middle, high school, and college students. Suturing workshops hosted at PSU, etc. See Sakai calendar for specific dates/details.

Intro to Surgery II (SURG 705D)

Elective Signatures

Signatures must be received at the time of the event by a surgery attending, resident, faculty, or SIG leader (when applicable).
