From Sunscreen to the Computer Screen:
The evolution of CME from Conferences to Online Learning

with Vishnu Mohan, M.D., MBI, MBCS, FACP

Clinicians no longer get all professional learning in concentrated doses. Instead, we are beginning to rely on the internet to help us grow professionally, but how can we separate the wheat from the chaff? This interactive session for the OHSU community will help attendees define a strategy for optimal online learning. Light lunch provided.
