Accreditation
This symposium is sponsored by the Oregon College of Health Professions. It is approved by the Oregon Board of Nursing for 5.0 contact hours. For more information, contact Oregon Board of Nursing, 1450 NE Hassalo St., Suite 255, Portland, OR 97232 (503) 378-2500.

Participants will be able to earn 5.0 continuing education contact hours. See the Symposium Agenda to confirm hours.

The course will be held at the Sentinel Hotel, 614 S.W. 11th Ave., Portland, OR 97204.

For more information, contact OHSU Continuing Medical Education at 503-494-8817 or via email at cme@ohsu.edu.

Course Objectives
The course will allow interaction between participants and faculty through luncheon roundtables with faculty and poster sessions.

Luncheon roundtables with faculty will allow increased opportunity for interaction with the faculty and exchange of ideas.

The residents will also be collecting donations for the OHSU Foundation. This year, donations will benefit two charities. The program was founded in 1965 and continues to raise money to support the medical care given to children and women with special health care needs.

General Information
Please note that admission to the program is restricted to registered attendees. Please bring your name badge to the event. Attendees must present their badge at each session to receive credit.

Please bring a light sweater or jacket to ensure your comfort in the session rooms. Please note that admission to the program is restricted to registered attendees. Discounted rate is available until Oct. 17, 2017. Requests for cancellation must be received 14 days prior to the start of the program for a full refund. No refunds can be issued after this date. Please note that admission to the program is restricted to registered attendees.

There is no charge for the symposium. However, participants must register by October 17, 2017 to ensure their spot in the session.
Assiduousness
Oregon Health & Science University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit
OHSU School of Medicine designates this live activity for a maximum of 50 AMA PRA Category 1 Credits™. Oregon Health & Science University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Course description
OHSU faculty will share their expertise on clinically relevant topics through didactic sessions, panel discussions, and case presentations. Participation in this course will provide learning opportunities for participants of all levels.

The course will allow interaction between participants and faculty through question-and-answer sessions and break-out sessions during which participants are invited to bring their questions to a smaller group forum.

Learning objectives
The learning objectives for the year are as follows:
- Current management of complex vaginal bleeding. In the conclusion of this presentation, attendees will be able to apply new guidelines concerning the diagnosis and treatment of complex vaginal bleeding in their practice setting.
- Impact of antidepressant use in pregnancy: Participants will discuss the impact of antidepressant use on pregnancy outcomes and the potential implications of treatment upon the fetus.
- Developmental programming? How, When, and Why?
- Update on Cardiac Disease in Pregnancy
- Update on Medical Management of Obesity
- Bariatric Surgery to Reduce Risk of Mortality in Obese Patients
- Update on Perinatal Mental Health
- Foundations of Pelvic Floor and Menopause
- What You Really Need to Know! for Obstetricians and Gynecologists
- Neonatal Nurser, New, Lily and En-Family Clinic
- Pelvic Prolapse & Incontinence in the Digital Age
- Behind the Scenes in the Embryology Laboratory

Learning objectives:
- Current management of comorbid vascular bleeding: As the conclusions of this presentation, attendees will be able to apply current guidelines concerning the diagnosis and treatment of comorbid vascular bleeding to their patients’ population.
- Low intensity anticoagulant therapy in pregnancy: Participants will demonstrate basic understanding of the risks and relevant management concerning the potential impact of anticoagulation upon the fetus.
- Iron deficiency in non-pregnant women: Attendees will be more able to recognize, diagnose and treat iron deficiency in non-pregnant women.
- Transsurgical health: Participants will be able to utilize updated guidelines to help optimize care of transsurgical patients.

Course description:
OHIO faculty will share their expertise on clinically relevant topics through didactic lectures, participatory plenary sessions, and peer-to-peer discussion as new developments and research concepts are presented. The format provides the opportunity to engage with faculty, other healthcare professionals, nurses, midwives and other professionals in the women’s health field.

The course will allow interaction between participants and Faculty through quick question and answer sessions and breakout groups during which attendees will be able to bring up their patients’ cases. The course format is designed to allow for maximum opportunity for discussion. Topics for quick responses may include: Iron deficiency, Menorrhagia and polycystic ovarian syndrome, meningioma, and menopause.

Lunch roundtable discussions will focus on low intensity anticoagulation, low intensity anticoagulation, medical abortion induction, suboptimal and reactive pelvic surgery, gynecologic oncology, endometriolysis, and menopause.

The residents will also be collecting donations for the OHSU Footsteps to Ethiopia. The program funds yearly surgical mission trips and has recently provided prolapse surgery for one woman. The residents will also be collecting donations for the OHSU Footsteps to Ethiopia. The program funds yearly surgical mission trips and has recently provided a suture box and surgical instrument. The program provides a suture box and surgical instrument. The program provides transportation for one surgery.

For perspective:
- $25 provides 1,000 children’s toys and clothing
- $50 provides a suture box and surgical instrument
- $100 provides a suture box and surgical instrument
- $250 provides a suture box and surgical instrument
- $500 provides a suture box and surgical instrument
- $1,000 provides a suture box and surgical instrument

Faculty

All faculty are from OHSU School of Medicine, unless otherwise noted.

Maureen Baldwin, M.D., M.P.H.
Assistant Professor of Obstetrics and Gynecology

Michelle Beals, M.D., M.P.H.
Professor of Obstetrics and Gynecology; Co-Director, OHSU Center for Women's Health

Amanda Bresep, M.D.
Assistant Professor of Obstetrics and Gynecology

Hetal Choxi, M.D.
Assistant Professor of Family Medicine

Nicole Cirino, M.D.
Associate Professor of Psychiatry

Wendy Davis, Ph.D.
Executive Director, Postpartum Support International

Mary Anna Denman, M.D., F.A.C.O.G., F.A.C.S.
Associate Professor of Obstetrics and Gynecology

Thomas DeLoughery, M.D., M.A.C.P., F.A.W.M.
Professor of Medicine, Division of Hematology and Oncology

Amy Hermesch, M.D., Ph.D.
Assistant Professor of Obstetrics and Gynecology

Farah Husain, M.D.
Assistant Professor of Surgery

Rex Larson, B.S.
Program Coordinator, Vaccines for Children, Oregon Health Authority

Karen O'Leary, Ph.D.
Assistant Professor of Obstetrics and Gynecology

Nicole Marshall, M.D., M.C.R., F.A.C.O.G.
Assistant Professor of Obstetrics and Gynecology

Emmanuelle Paré, M.D., M.S.C.E.
Assistant Professor of Obstetrics and Gynecology

Leonard Perez, M.D.
Professor of Obstetrics and Gynecology

Mary Anna Denman, M.D., F.A.C.O.G., F.A.C.S.
Associate Professor of Obstetrics and Gynecology

Jonathan Q. Purnell, M.D.
Professor of Pediatrics, Knight Cardiovascular Institute; Division of Endocrinology, Diabetes, and Clinical Nutrition

Theresa Reil-Kingzinger, M.D., F.A.C.P.
Assistant Professor of Pediatrics, Indiana University; Executive Director, IU National Center of Excellence in Women’s Health

Deborah Yaeger, M.D.
Associate Professor of Psychiatry

Keenan Yank, M.D.
Assistant Professor of Obstetrics and Gynecology

Registration

Register online at www.ohsu.edu/som/cme.

■ $375 Physician
■ $325 Other health professional

To pay by credit card, please register online at www.ohsu.edu/som/cme.

To pay by check, please return this form to:
Division of CPD-L602
OHSU
3181 S.W. Sam Jackson Park Road
Portland, OR 97239

Please use one form per registrant and clearly print or type information.

Enclosed is my check made payable to “OHSU CME” for $ ________________.

Please indicate which afternoon tracks you intend to attend:

Thursday
Track 1: Behind the Scenes in the Embryology Laboratory
The Role of the OB Provider in Maternal Future Health

Track 2: Distress and Discussion of Breast Hypotheses
Rhine In God’s Labor and Delivery

Track 3: New and Improved on Screening
Material Vaccinations

Friday
Track 1: Measuring Cervical Length in Pregnancy

Track 2: Pelvic Prolapse and Incontinence in the Digital Age

Track 3: Insertion of Immediate Postpartum IUD
