

TRANSFER POLICY

Transfer applications are only considered from a partner/spouse of an individual accepted to an OHSU residency program, current medical student, or partner/spouse of an appointed full time primary faculty member at OHSU. All transfer applicants must be currently enrolled to an LCME accredited medical school and in excellent academic standing at their current medical school. The expectation is transfer students will have successfully completed the first and second year LCME accredited curriculum at their US school and have passed USMLE Step I prior to entry, therefore, demonstrating the equivalent knowledge base of OHSU medical students upon entering the 3rd year curriculum.

Oral/Maxillofacial Surgery/M.D. Program - Each year, two to three students will be selected for the Oral/Maxillofacial surgery /M.D. Program and will enter into the second year of medical school. This selection will be made by the Admissions Committee based on the recommendation of the Director of the Oral and Maxillofacial Surgery/ M.D. Program. The requirements for students in this program are available through the Office of Education and Student Affairs.
