

Interprofessional Hartford Award for Research and Practice Program Call for OHSU Faculty Applications

Applications Due:	June 30, 2017 by 5:00 p.m. PDT
Notification of award:	September 1, 2017
Funding Begins:	September 29, 2017
Final Report Due:	December 28, 2018

The Hartford Center of Gerontological Nursing Excellence was funded from 2001-2015 by the John A. Hartford Foundation (JAHF). During that time the Center distinguished itself in gerontological research, family caregiving, and enhancing undergraduate and graduate education in gerontological nursing.

Post JAHF funding, we have made it our mission to enhance and sustain the capacity of health professionals to provide quality care to older adults and their caregivers through *interprofessional* research, education, adoption of best practices, and faculty and leadership development.

The Hartford Center is honored to steward the HARP program made possible through an endowment by the Frances Price Estate Fund.

Proposals of up to \$25,000 will considered.

Purpose

The purpose of the Hartford Award for Research and Practice (HARP) program is to improve the health and health care of older adults through research and innovations in care by providing support for interprofessional faculty research or practice change projects. The HARP program's core values are innovation, accountability for outcomes, and a plan to leverage these funds into sustainable programs of research or practice improvements.

Proposals are evaluated on the following criteria:

Proposal Criteria:

1. *Innovative*: The proposed research or project addresses an important and significant need in a novel way.
2. *Relevant*: The proposal has the potential to improve the health or health care for older adults.
3. *Synergistic*: The proposal leverages existing resources at OHSU through collaboration with others, including interprofessional colleagues; SON and OHSU Centers and Programs; and other aging initiatives.
4. *Merit*: The proposal represents an original idea or approach with strong rationale, well described for the approach, and rigorous methods.
5. *Feasible*: The proposal is appropriately scoped in budget and aims to be completed within one year.

The Interprofessional HARP Program funds one study each year. Funding begins upon the IRB approval but no sooner than September 29, 2017. The funding period is for one year.

Expected Outcomes

Grantees agree to:

1. Provide a brief report of progress by April 2, 2018 to the Director of the Hartford Center of Gerontological Excellence (HCGE).
2. Complete the HARP study or project within one year and submit a final report within two months of the end date. The final report includes an abstract of findings/outcomes, final budget report, and plans for future funding or sustainability, and dissemination.
3. Present the results of the HARP study or project to the OHSU community within six months of the completion date.
4. Acknowledge the HARP and the OHSU HCGE as supporters of the funded research project during national and local presentations, lectures, and in publications.

Faculty Eligibility Criteria

The HARP Program is available to all OHSU faculty, including the Schools of Nursing, Dentistry, Public Health, Medicine, and College of Pharmacy. Applicants must have a clinical or research doctorate. If the proposed Principal Investigator (P-I) holds a primary appointment outside of the School of Nursing, there must be a Co-Investigator (Co-I) from the School of Nursing; an interprofessional research team is a requirement of this award. Preference is given first to faculty who have completed their terminal degree within the past 10 years, then to faculty who have completed their terminal degree more than 10 years ago, and are developing an interest in the care of older adults. Senior faculty members are strongly encouraged to mentor junior

faculty on collaborative projects. Funding preference is also given to applicants who have not received previous HARP funding.

Funding is not transferrable to another institution. In a case when the HARP awardee leaves OHSU, another faculty member on the study or project team will be appointed as P-I in consultation with the Director of the HCGE.

Proposal Process and Timeline

Applicants are encouraged to discuss their ideas with the Director of the HCGE. The Director is also available to serve as a mentor to HARP applicants or help identify other mentors, depending on the applicant's needs and specific content area. Applicants must work through their respective School or College pre-award offices and adhere to all OHSU Office of Proposal and Award Management (OPAM) requirements for grant applications. Applicants are strongly encouraged to solicit peer review prior to submission of the proposal.

The deadline for submission is **5:00 p.m. on June 30, 2017**, with funding beginning upon **the IRB approval, but not before September 29, 2017**. Please send one PDF of the proposal to Marilyn Sanguinetti at sanguine@ohsu.edu.

Proposal Guidelines

The proposal includes the following six elements and should be sent as one PDF document:

1. Proposal Title Page:
 - a. Study title
 - b. Principal investigator name, credentials, and contact information;
 - c. Co-investigator name(s) and credentials and/or list of key personnel
 - d. Abstract
2. Proposal should include the following sections (limited to 5 pages; must be single-spaced in Arial, 11-point font; with 1" margins on all sides):
 - a. *Narrative*: Specific Aims, Background/Significance, Preliminary Studies or Activities, Project Design and Methods, Human Subjects (if applicable)
 - b. *Timeline*: Plan for conducting the project within the one-year timeframe
 - c. *Plan for future extramural funding or sustainability*: Potential future funding agency and planned submission date, tentative aims for future proposal, need for additional pilot work as a necessary step toward extramural funding, or the development of a sustainability plan
3. Budget: budget and justification for proposed expenses. The budget is not included in the page limit. The budget should be approximately one page and include line items with costs, and followed by a narrative budget justification. **Please note**: HARP funds are restricted and do not fund Principal-Investigator or Co-Investigator salaries, tuition or fees for GRA, or indirect costs. Some allowed expenses are: research assistant(s), travel, permanent equipment, participant incentives, and expendable supplies.

4. References cited: References are not included in the page limit. List all references cited in the proposal narrative, and if appropriate, additional resources used to develop the proposal and plan the study. References must be in the APA format.
5. Appendices: The appendices are not included in the page limit.
 - a. A current five-page [NIH biographical sketch](#) for each key member of the study or project team (The link above is to a blank form. This link is for a [sample](#).)
 - b. Instruments and data collection tools (include permission to use instrument or tools, if appropriate)
 - c. Educational or other materials critical to the success of the study or project
 - d. Description of partnerships: When appropriate, include a brief description of partnerships required to complete the research or project. These include any partnership arrangements with a novice researcher, as well as partnership arrangements with transdisciplinary or multi-site studies.
 - e. Letters of support indicating access to settings and/or participants and letters from consultants and/or others important to the success of the study or project
6. Letter of support from department/division chair: Letter of support is not included in page limit. Letter of support from your department or division chair acknowledging approval of your HARP funding application and describing any institutional or departmental sources of bridge funding. It should clearly describe the level of commitment offered to the applicant during the HARP funding period and beyond. Evidence of tangible, stable support (e.g., space, salary, and other research support) that demonstrates a clear commitment to the applicant's long-term development as a member of the University is important. The Chair acknowledges that there will be no F&A/Indirect return in the letter of support.

External Review Board

Please list two possible proposal reviewers, outside of OHSU, with current content expertise. The HARP External Review Board reviews and prioritizes proposals. The final funding decisions are made by the SON Dean. A summary of reviewer comments is provided to applicants.

Program Management

Post award financial management is administered through your School or College post-award officers, i.e., tracking expenditures, budget reconciliation, setting up contracts, etc.

The Hartford Center Director oversees the HARP Program. Please direct all communication regarding the HARP Program to Marilyn Sanguinetti, Project Administrator for the Hartford Center of Gerontological Excellence at OHSU, at sanguine@ohsu.edu or 503-494-0222.
