OHSU Nurse-Midwifery Grand Rounds
is pleased to present

The Integrated Doula:
A Collaborative Care team approach

Jesse Remer,
CD/PCD/BDT/PDT(DONA), LCCE

Tuesday, October 20, 2015
7:30-8:30 AM
OHSU School of Nursing, Rm 144

Jesse Remer, CD/PCD/BDT/PDT(DONA), LCCE has supported thousands of families and doulas in the childbearing year over the past decade in her capacities as a Lamaze Childbirth Educator, DONA International Birth and Postpartum Doula Trainer, Founder of Mother Tree International, founding member of the Oregon Doula Association (ODA) and chair of the Policy and Advocacy Committee. She serves as a liaison to the State of Oregon Traditional Healthcare Workers Systems Integration subcommittee, working on creating sustainable systems of doula support within the system and led the clinical design team for Providence Health Systems Pregnancy Care Package, becoming the first staff doula of their integrated healthcare model.
