

Course Evaluation Faculty Response Form

Dear Colleague,

The Council is charged with the responsibility of reviewing course evaluations to ensure that the OHSU curriculum is optimal for preparation of students. The Council asks faculty of record for courses with an average of 4.0 or below (out of 6) and a response rate of at least 60%.

In the most recent course effectiveness evaluations, you are listed as lead faculty on a course that falls into this category. In order to facilitate the review of this course, please complete this page, answering the questions below and noting any mitigating factors, such as first time teaching this course, in your comments. Thank you for taking part in the evaluation of our curriculum.
