RE: Course Evaluation Summary Tables for APT Dossier Preparation

Teaching and Course Effectiveness Evaluations have changed several times at OHSU School of Nursing. For the benefit of reviewers in developing your P& T materials, please indicate in which timeframes your evaluations occurred and include separate tables for each timeframe.

- July 2010—present (online evaluations, using a Likert scale of **1-6**, with **6 the highest** score possible)
- July 2004—June 2010 (online evaluations, using a Likert scale of **1-5**, with **1 the highest** score possible)
- Prior to June 2004 (in class paper/pencil evaluations, using a Likert scale **1-5**, with **1 the highest** score possible)

If you need additional information regarding the course evaluation processes, you can contact member(s) of the SON Phase II Course Evaluation Task Force. If you have specific questions about this memo, please contact Kathie Lasater or Gail Houck.
