CC Transition to BS/ online RNBS (Spring or Fall term)	33	\$443.00	\$ NA	\$14,619.00

Students enrolling on the Portland campus are eligible for campus services including access to March Wellness, Student Health, and are required to enroll in the student medical insurance plan. Students enrolling in the Virtual campus do not have access to additional Portland campus services, but also do not pay the associated fees.

All applicants are encouraged to complete the Free Application for Federal Student Aid (FAFSA) at www.fafsa.gov for consideration of financial aid. In addition, OCNE students are encouraged to submit an OHSU scholarship application as well as review additional scholarship opportunities located here: <http://www.ohsu.edu/xd/education/schools/school-of-nursing/admissions/tuition-fees/scholarships.cfm>.

Investing in your future

We know that financing your education can be challenging, but we think that OHSU is worth the investment of your time and money. We are confident that our graduates have the skills, opportunities, and knowledge that is essential for the 21st Century nurse. Here are four reasons why we think that you should choose to invest your future education at OHSU:

- OCNE was designed to help you transition seamlessly to OHSU!
 - All of your prerequisites transfer automatically to OHSU with no additional fees.
 - In addition, your NRS224 Integrative Practicum course transfers to OHSU automatically to count for 9 credits of upper division nursing coursework.

- The upper division coursework at OHSU is designed to build on fundamentals that you have already mastered. Courses are built to expand your clinical experience, encourage your leadership within the profession, and prepare you to advance the science of nursing, no matter your role.
- OHSU is recognized as a top tier institution with nationally recognized programs in education, research, and practice. Nursing students at OHSU receive the benefits of being surrounded by students that are academically excellent, faculty that incorporate evidence based practice in the classroom, and supportive staff that are interested in your success.
