The academic cap is worn level at all times. The tassel should hang on the right of the cap at entrance into the Exhibit Hall until President Robertson has conferred the degrees. At that point, the tassel may be switched to hang from the left side.

It is expected that graduates’ behavior throughout the ceremonies will exemplify the professional standards of their calling. Please leave purses, coats and other valuables with family and friends before you enter the building, as there will be no secured area in which to leave them during the ceremony; anything left in the robeing room where students line up will be removed prior to the end of the ceremony. There will be volunteers and signage indicating where your group will assemble for the Convocation and Hooding processions.
