Faculty Senate Awards
Call for Nominations

Annually faculty members are recognized through the Faculty Senate Awards for their exceptional efforts in support of OHSU’s mission. Awards are made for contributions WITHIN THE LAST TEN YEARS in one of five categories: research, leadership, teaching, service and collaboration. Award categories rotate every year so that each unit is nominating individuals in a new award category.

This year’s unit/category designations are:
- School of Dentistry: Research
- School of Medicine: Teaching
- School of Nursing: Service
- College of Pharmacy: Collaboration
- Affiliated Units and Institutes: Leadership

In order to reward the activities that are current, nominees must be current OHSU faculty. Emeritus faculty members are not eligible. Faculty members must also be from the Schools of Dentistry, Medicine, Nursing and Pharmacy or in affiliated units and institutes such as BICC, CDRC, CROET, ONPRC and Vollum.
