

Information provided from the CASPA website:

Other Foreign Transcripts: Course work taken at foreign institutions must be evaluated for U.S. equivalence by one of the following evaluation services and an official copy must be sent from the service directly to CASPA. You should also have a copy sent to you for completing the CASPA application. Request a course-by-course evaluation and list the courses, subject codes, semester hours, and grades on the CASPA Academic Record or Professional School Academic Record as per the instructions. Your application will not be complete without an official evaluation.

Transfer credit appearing on U.S. institution transcripts, student copies of an evaluation, or other foreign evaluations will not be accepted. You should contact one of the following:

All institutions attended (including foreign institutions) must be listed in Colleges Attended or Planning to Attend. If there is an extenuating circumstance why you can not have an evaluation done, you may write a letter to request a waiver of the requirement of an evaluation. The letter must state the reason why you are requesting a waiver of the evaluation and must include your signature and SSN. Be sure the reason is an extenuating one. Also note that transfer credit awarded at U.S. institutions for foreign courses will not be added to your applicant profile. Failure to submit a foreign evaluation or letter requesting an evaluation (which is duplicated to your schools) will result in your file being incomplete. Questions should be directed to the CASPA Office.
