

## OHSU Degree & Certificate Programs

### *School of Dentistry*

#### **Professional Doctoral Program**

Dentistry (D.M.D.) 503-494-5274 Length of Program – 4 years

#### **Master of Science Programs**

Orthodontics & Dentofacial Orthopedics 503-494-5274 Length of Program – 30 months  
 Biomaterials & Biomechanics 503-494-5274 Length of Program - 2 years  
 Oral Molecular Biology 503-494-5274 Length of Program - 2 years  
 Periodontology 503-494-5274 Length of Program - 36 months

#### **Graduate Certificate Programs**

Endodontology 503-494-5274 Length of Program – 24 months  
 Oral and Maxillofacial Surgery 503-494-5274 Length of Program – 72 months  
 Orthodontics & Dentofacial Orthopedics 503-494-5274 Length of Program – 30 months  
 Pediatric Dentistry 503-494-5274 Length of Program - 24 months  
 Periodontology 503-494-5274 Length of Program – 36 months

### *School of Medicine*

#### **Undergraduate Degree & Certificate Programs**

BS in Radiation Therapy Technology 503-494-3445 Length of Program – 2 years  
 BS in Clinical Laboratory Science 503-494-8698 Length of Program – 15 months  
     In conjunction with OIT  
 BS in Emergency Medical Tech - Paramedic 503-625-4720 Length of Program – 2 years  
     In conjunction with OIT  
 AAS in Emergency Medical Tech - Paramedic 503-625-4720 Length of Program – 12 months  
     In conjunction with OIT

#### **Graduate Certificate Programs**

Human Investigations Program 503-494-3095 Length of Program – 2 years  
 Dietetic Internship 503-494-7596 Length of Program – 24 months  
 Biomedical Informatics 503-494-2547 Length of Program – 2 years  
 Management in Science & Technology\* 503-748-1382 Length of Program – 18 months  
 Health Care Management\* 03-748-1382 Length of Program – 18 months

\*Science & Engineering Programs

#### **Professional Doctoral Program**

Medicine (M.D.) 503-494-2998 Length of Program – 4 years

#### **Master's Degree Programs**

Master of Biomedical Informatics 503-494-2547 Length of Program – 2 years  
 Master of Clinical Research 503-494-3095 Length of Program – 2 years  
 Master of Clinical Dietetics 503-494-7596 Length of Program - 2 years  
 Master of Physician Assistant Studies 503-494-1484 Length of Program – 26 months  
 Master of Public Health  
     Epidemiology & Biostatistics Track 503-494-2012 Length of Program – 2 years  
 Master of Science  
     Biomedical Informatics 503-494-2547 Length of Program – 2 years  
     Clinical Nutrition 503-494-7596 Length of Program – 2 years  
     Biochemistry and Molecular Biology\* 503-748-1382 Length of Program – 1 year  
     Biomedical Engineering\* 503-748-1382 Length of Program – 1 year  
     Computer Science and Engineering\* 503-748-1382 Length of Program – 1 year

Electrical Engineering*	503-748-1382	Length of Program – 1 year
Environmental Science and Engineering*	503-748-1382	Length of Program – 1 year
Management in Science and Technology*	503-748-1382	Length of Program – 18 months

\*Science & Engineering Programs

### Doctor of Philosophy Programs

Behavioral Neuroscience	503-494-8464	Length of Program – 5 years
Biochemistry & Molecular Biology	503-494-2541	Length of Program – 5 years
Biomedical Informatics	503-494-2547	Length of Program – 5 years
Cell & Developmental Biology	503-494-5824	Length of Program – 5 years
Molecular & Medical Genetics	503-494-1771	Length of Program – 5 years
Molecular Microbiology & Immunology	503-494-2433	Length of Program – 5 years
Neuroscience	503-494-6933	Length of Program – 5 years
Physiology & Pharmacology	503-494-8982	Length of Program - 5 years
Biochemistry and Molecular Biology*	503-748-1382	Length of Program – 5 years
Biomedical Engineering*	503-748-1382	Length of Program – 6 years
Computer Science and Engineering*	503-748-1382	Length of Program – 6 years
Electrical Engineering*	503-748-1382	Length of Program – 5 years
Environmental Science and Engineering*	503-748-1382	Length of Program – 6 years

\*Science & Engineering Programs

## *School of Nursing*

### Undergraduate Degree Program

BS in Nursing	503-494-7725	Length of Program – 1 to 3 years
---------------	--------------	----------------------------------

### Graduate Certificate Program

Public Health	503-494-3095	Length of Program – 1 year
---------------	--------------	----------------------------

### Master's Degree Programs

Master of Science or Master of Nursing		
Nurse Anesthesia	503-494-7725	Length of Program - 2 ½ years
Family Nurse Practitioner	503-494-7725	Length of Program - 2 years
Nursing Education	503-494-7725	Length of Program - 1 ½ years
Nurse Midwifery	503-494-7725	Length of Program - 2 years
Psychiatric Mental Health Nurse Practitioner	503-494-7725	Length of Program - 2 years
Master of Public Health		
Public Health	503-494-7725	Length of Program - 2 years

### Post Master's Certificate Programs

Advanced Practice Gerontological Nursing	503-494-7725	Length of Program - 1 year
Family Nurse Practitioner	503-494-7725	Length of Program - 2 years
Nursing Education	503-494-7725	Length of Program - 1 ½ years
Nurse Midwifery	503-494-7725	Length of Program - 2 years
Psychiatric Mental Health Nurse Practitioner	503-494-7725	Length of Program - 2 years

### Doctor of Philosophy Programs

Nursing	503-494-7725	Length of Program - 3 years
---------	--------------	-----------------------------

### Professional Doctoral Program

Doctor of Nursing Practice (D.N.P.)	503-494-7725	Length of Program - 3 years
-------------------------------------	--------------	-----------------------------

## *OSU College of Pharmacy*

### Professional Doctoral Program

Doctor of Pharmacy (Pharm.D.) In conjunction with OSU	503-494-5778	Length of Program – 4 years
--	--------------	-----------------------------
