\*The earliest day possible in which available funds could be applied to students' accounts and any refunds issued for living expenses will be the Thursday before the term start date (except for Winter 2015). Individual student disbursement dates will vary if there is anything preventing disbursement. Examples include, but are not limited to: the Notification of Eligibility has not been signed, Promissory Note(s) have not been signed, registration does not match what the aid was based upon, holds and/or loan entrance counseling.

\*\*Not enrolled in nursing courses. If pursuing required non nursing courses at an eligible partner institution, contact the financial aid office regarding availability of aid and disbursement dates.

The earliest refunds are available for winter would be Wednesday 12/31 due to New Years Day Holiday. If student is at WOU or OIT campus and receiving a refund check, it may be delayed if that campus is not open. We recommend they sign up for direct deposit to avoid any delays.
