After you have been enrolled in a suitable metallic tier plan (gold or platinum) OR have received confirmation of enrollment in OHP, go to www.ohsu.edu/jbt-health and complete the medical and/or dental waiver forms. *Waivers will no longer be submitted online through Aetna.*

▶ If you wish to waive both medical and dental then both forms will need to be submitted.

Submit completed forms to JBT Health & Wellness via email (askjbthealth@ohsu.edu), fax (503-494-2958) or by dropping off (Baird Hall, Room 6 or 18) **by January 5th, 2015.** Attestation forms received after this date will be applied to the next academic term.

▶ Once approved, fees on your student account will be reversed off within two weeks of the academic term. Your waiver will be good through 8/31/2015. If for any reason, coverage is lost during the 14/15 academic term, please notify JBT as soon as possible as coverage in the Student Health Plan will be required and premiums backdated to the date coverage was lost.
