

Aetna Student Health Insurance Graduating Students

Questions and Answers

I'm graduating. When does my Aetna Student Health Insurance coverage end? What if I pre-paid for summer?

*Please note that your insurance coverage will terminate at the **end of the month in which you graduate**. For example; If you graduate June 3rd then your last day of coverage will be June 30th. Any months pre-paid will be refunded.*

What are my options for continuing my insurance after graduation?

*Aetna Student Health does **NOT** offer a continuation plan after graduation. Insurance coverage can be pursued through independent brokers, directly from the Insurers (Kaiser, BCBS, Healthnet, Moda) or through the state exchange, <http://coveroregon.com> or 1(855)268-3767. Cover Oregon offers free certified health insurance agents and community partners throughout the state who can help you fill out your application and complete your enrollment. Please see their website for further information.*

Can I continue to use the JBT Health & Wellness Center after graduation?

No. However, you can continue to access JBT Health & Wellness Center until the end of the month in which you graduate. Our providers are happy to help you transition to care outside of JBT Health & Wellness Center. We can be reached at (503) 494-8665.

What are other community resources I can use in the meantime?

Behavioral Health
