

OHSU JBT HEALTH & WELLNESS CENTER VACCINATION/TITER PRICE LIST

The following list shows vaccine costs and vaccine antibody titer costs. For **new students, pre-entrance immunization requirements are not covered under your university sponsored student health insurance.** Most **travel related vaccines are not covered under health insurance plans.** It is your responsibility to check with your individual insurance plan to determine coverage for specific vaccines or procedures. We gladly accept cash, checks or Visa/Mastercard. If you wish to submit out of pocket costs to your insurer for reimbursement we are happy to provide you with a detailed coding statement upon request.
