Respect for All: Sexual Harassment Awareness Series Workshop

All OHSU students, postdocs, residents, faculty and staff are invited to a workshop to acknowledge and proactively address sexual harassment issues. This session will focus on defining harassment and will use robust discussion of scenarios to develop skills and an understanding of resources on campus. A light lunch will be provided with registration; however, registration is not required to attend the workshop.

Our overarching goal is to create a culture of respect at OHSU, and this begins with an awareness of resources, active listening, and open dialogue.

Register online at: https://sexualharassmentawarenessworkshop.eventbrite.com

Sexual Harassment and Awareness Series Learning Objectives:
1. Participants will be able to define and identify sexual harassment.
2. Participants will be able to identify relevant resources on campus, including the Ombudsman, AAEO/Title IX, and confidential consultations.
3. Participants will be able to identify and develop skills to become an ally or advocate.

This series was made possibly by generous support from the School of Medicine, Provost Office, and OHSU Healthcare.

Additional support from Women in Academic Medicine, AAEO, CDI, DMICE, Faculty Senate, Joseph B. Trainer Student Health and the Resident and Faculty Wellness Clinic.
