

# Brain Awareness Season

## OHSU Brain Awareness Lecture Series

Fascinating lectures by nationally renowned personalities in neuroscience take place in February and March. All lectures will be at the Portland Center for Performing Arts in downtown Portland. For more information about the lecture series and how to buy tickets, please visit [www.oregonbrains.org](http://www.oregonbrains.org).

## OHSU Teacher Workshop

The Teacher Workshop is an opportunity for educators to learn about brain-related issues. Expert speakers familiar with current developments in neuroscience present from both scientific and educational viewpoints. Teachers receive neuroscience-related resources and free teaching tools. Professional development units are available to all who attend. This workshop is held on a Saturday morning in the spring. Admission is free, but pre-registration is required. For more information about the Teacher Workshop, please go to [www.oregonbrains.org](http://www.oregonbrains.org). Registration for the workshop is available on-line in January at <http://seo.ohsu.edu>.

## OHSU Brain Fair

The Brain Fair features interactive hands-on exhibits about the extraordinary brain and how it works. Visitors take part in fun and educational demonstrations on the anatomy, physiology and the chemistry of the brain. The fair is an opportunity to see real brains up close and learn about the senses through interactive exhibits. The fair is held at OMSI on a Saturday in the spring. Admission to the OHSU Brain Fair is free for all attendees. We encourage school groups, families, educators and members of community advocacy groups to attend the fair. For more information, please go to [www.oregonbrains.org](http://www.oregonbrains.org).

## OHSU Neuroscience Town Hall

Key neuroscientists, political and advocacy group leaders and members of the public throughout Oregon share dialogue, discussion and debate about the future of neuroscience research in our state and around the world.
