It will be held on May 5<sup>th</sup>, 2012. It is being organized by PA students who are looking for \$1000 in funding for food, drinks, and advertising. They received \$180 from the PA Student Government. None of the money that will be awarded from the student council will be used to donate to the leukemia and lymphoma society. **There was a 1<sup>st</sup> motion, a 2<sup>nd</sup> motion, and full approval of \$1000 for the All-Hill Kickball Tournament. No objections.**
- **New Business** (10 minutes):
  - **Student Volunteer Awards Banquet** (Kristin Belford): We will need some volunteers for set up and take down. The event will be held on May 17<sup>th</sup>, 2012. There is a survey that will be sent out to all of the students today. There will be a string quartet, food, wine, and non-alcoholic drinks. Dr. Mladenovic and Dr. Robinson will be there. It is very important that the students nominate people with a description. Students who are nominated without a description will not be recognized.
  - **Pharmacy's Budget** (Jesse Hollander): The student incidental fees task force has met to review the fees and make a recommendation to the OHSU administration about student fees. Dr. Mladenovic's first step to tackling the tuition problem is combining all of the fees that students pay into tuition. There will be a student activity fee that will combine all of

the rebates, individual school activity fees, and the all Hill budget. We are requesting a cap on tuition so that the students know what they will have to pay over the 4 years they are here for school. We are requesting a tuition task force set up through the provost office that a student from the student council will sit on. There were some suggestions to turn the library in the student center into a work out center.

- **American Heart Association Heart & Stroke Walk** (Karen Seresun): This event will be held on May 19<sup>th</sup> at the Vera Katz Eastbank Esplanade in Portland. They really need to get students to take a lead and sign up more teams for this event. If you are interested in creating a team, go online and register under the OHSU provost office. There are fliers in the student center.
- **New executive council for 2012-2013** (Jesse Hollander): Applications are due on April 27<sup>th</sup>, 2012. The new council will be announced on May 11<sup>th</sup>; And the new Executive Council will start on June 8<sup>th</sup>. Please email Jesse Hollander with your resume/CV and a cover letter.
- **Community Service Outreach** (Jesse Hollander): The student community service fair is looking for some good ideas for this student event. They would like to start a dialogue between the students. If you have any ideas for this event, please email Jesse Hollander.
- **OHSU Research Week** (Allison Anacker): This event is scheduled to happen May 7<sup>th</sup>-10<sup>th</sup>, 2012. They received 319 total- 140 oral presentations and 179 poster presentations. They had to double the number of poster sessions to accommodate everyone. There is a schedule of the OHSU Research Week in the Pulse. 35% of the submissions were from students. That is more students than they have had in the past. Fundraising is going well. There will be a lot of money going to student awards. They will have 15 awards going to oral presentations and 15 awards for poster presentations. They are looking for more judges to judge the student poster sessions. They are looking for about 12 student judges. All presenters will receive the event shirts.
- **Regular Updates** (20 minutes):
- **Website Coordinator** (Traci Saito): She still needs a student from the PA school to be an administrator on the facebook page. A lot of emails have been sent out to the whole school through the listservs, and this is not acceptable.
