- **Student Awards Banquet** (Kassi Kronfeld): Next Thursday May 16<sup>th</sup> will be this year's annual student awards Banquet. Set up will be around 5:30 and clean up will be around 7. Molly is attempting to get pictures from different programs particularly of students volunteering. This year there are three winners per category with an extra award added. The banquet is open to all students.
- **OHSU's Effort to Standardize Grading** (Derek Musashe): There is a new initiative across all programs at OHSU to standardize grading. OHSU wants to foster an environment where students from programs receive cross-disciplinary experiences. However, the problem is a grade in one program doesn't translate to other programs. Different programs also have different policies. OHSU is now proposing a grading key. This grading key will get distributed to all members of council. They would like every class to be graded based on this key. The MD program seems to be the most significantly different out of all programs. They utilize a 3 point grading scale.
- **Executive Committee Elections** (Joe Kent):
- **Student Web Portal Update** (Matt):
- **Regular Updates** (20 minutes)
  - **Student Health Center** (Sarah Lemley): Regular activities are being offered. Post docs will be welcome into the clinic starting July 1<sup>st</sup>. A new psychologist is coming on board in the coming months.
  - **Student Health Services Advisory Committee** (Lily Winfree): New students will need to submit their completed immunization forms before they can get their ID badge, and if the

form is not complete, there will be a \$95 charge! Returning students wanting to waive the student insurance need to fill out the waiver BEFORE classes start. AETNA referrals will need to be re-submitted by the end of August for any outside provider you use. Dependent re-enrollment is open from mid-June until the end of October. Feel free to email Lilly Winfree with any questions.

- **Student Newsletter Committee** (William Giardino): The latest edition of The Pulse is out!! Copies were emailed to all students and hard copies are available in the common areas of programs.
- **Student Center Planning Committee** (Karen Seresun): There is hope that the new addition of cardio equipment will begin July 1<sup>st</sup>.
