- **Welcome/Food/Drinks** (10 minutes)
- **Approval of Past Minutes** (1 minute): **There was a 1st motion, and a 2nd motion, and a majority vote to approve the past meeting minutes.**
- **New Student All-Hill Introductions** (5 minutes):
- **Funding Requests** (8 minutes):
 - **Trampoline Dodgeball Tournament** (Kyndra Jones): We are having an All-Hill Fundraising event at Sky High Sports. It will be a 12-team single elimination trampoline dodge ball tournament. Sky High has donated prizes for the winning team. Proceeds from the event will go to Wallace Medical Concern, a 100% volunteer clinic in the Portland area. They are requesting \$500 to cover the cost that the venue is charging and the cost of snacks. Their budget, with a max out of 12 teams would be around \$720 including about \$100 for snacks. **There was a 1st motion, a 2nd motion, and a majority vote to approve \$500 for the Trampoline Dodge ball Tournament. No objections noted.**
 - **Celebration of Smiles** (Carly Miller-Werben): Collaboration of OHSU SoD with the Portland Children's Museum to put on the event called the Celebration of Smiles. This event is held during National Children's Oral Health Awareness Month (February 2012) and its aim is to educate children and parents in our community regarding the importance of oral health. We do this through theatre, arts and crafts, face-painting, games, etc. We are requesting \$800 from the All Hill Student Council. The total budget should be around \$2,000. **There was a 1st motion, a 2nd motion, and a majority vote to approve \$800 for the Celebration of Smiles Event. No objections noted.**
- **New Business** (10 minutes):
 - **Quiz Bowl Announcement** (Mike Daher): This event is put on every year, which is an interdisciplinary event. Questions will be put together from each school to make it fair. They are requesting 8 people to help volunteer to organize this event. It will be held in the spring. Please contact Mike Daher at daher@ohsu.edu to volunteer.

- **Collaboration Meeting Announcement (Kassi Kronfeld):** Dr. Molly Osborne (SOM) wanted to try and set up a meeting with members of All-Hill council with Dr. Canterbury, who is a Dean of Education at University of Virginia. He will be having several meetings with the different programs while he is here at OHSU regarding curriculum changes and other planning for the new campus. They specifically wanted to try and meet on Monday Nov 21. A sign up sheet was sent around for people interested in meeting with him. Contact Kassi Kronfeld at kronfeld@ohsu.edu if you are interested.
- **Ski Trip to Sunriver (VJ and Kristin):** Each school will have a coordinator or “captain” that will collect all of the sign up sheets from each group of students from their respective school. The cost will be \$55 per student and \$65 for non-OHSU students. There should be discounted ski passes at Mt. Bachelor that should be around \$55 compared to their regular price of \$95. December 14th will be the last day to register for the event. Each school representative will be sending emails out to their respective schools regarding the ski trip.
- **Reserve Account update (Jesse Hollander):** There were no ideas from students regarding what we can propose for the money in the reserve account. We will need to have a proposal by the spring in order to use it next year. There will be further discussion concerning the budget proposal that was instigated by Charlie Muraki (former Student Council President) last year.
- **All hill budget/funding requests (Jesse Hollander):** A printout was handed out of the all hill student council budget. Along the lines of this budget, we need to update the bylaws in regards to funding requests. Since there has been an increase in funding requests, we need to make sure that there are some guidelines or a scope to make sure that these funds are going to the right events. Some of the school councils have different mechanisms for funding student events and trips. A subcommittee will be created in order to organize this situation.
- **Regular Updates (20 minutes):**
- **Student Newsletter Committee (William Giardino):** The student newsletter “The Pulse” has arrived and will be distributed among the schools.
- **Student Health Advisory Group (Molly Harding):** The Health Center has stopped doing their weekly flu shots. There was a wellness survey that was sent out. 300 people responded to the survey and a lot of people wanted to be involved in Yoga classes. Students who would like to get the waiver to join their parents private insurance policies can do that starting next year.
- **Student Center Planning Committee (Karen Seresun):** The construction of the student center will start on December 5th, and will run through mid March. They are updating the Basketball court and putting in sprinkler systems into the building. They are looking into intramurals off site during this construction time. There is a new artist named Raithon Clay displayed at the Student Center. The Association for Students Underserved are doing a clothes drive. The specialty speed dating

event sponsored by the SOM will be held in the student center. Vendor Fair will be held on Friday, November 18th, 2011 at 6pm. All students are welcome to these events. There will be a movie night at the student center. We are still looking for ideas of which movies to show. Please email Karen Seresun at seresunk@ohsu.edu for any questions.

- **March Wellness** (Joan Feraco): "Discover Massage" free workshop will be held Tuesday November 15th, 2011 at 6pm. They will teach participants a combination of Swedish, Thai, and pregnancy massage techniques. The goal of this class is to improve pain and anxiety for the person getting the massage. A free Ski conditioning class will be held on Thursday November 17th, 2011 at 5:30pm. There will be a free swim clinic focusing on the butterfly and the breaststroke held on Monday November 28th, 2011 at 6pm. These activities are all free to OHSU students.
- **Library** (Laura Zeigen & Judith Norton): The library will be closed on Thanksgiving Day. They will be having an open house on February 15th, 2012. Research week has been set to take place on May 7th-10th, 2012. There are some new library resources that can be found under these website addresses:

- **Legislative Update** (Nate Risley): There will be a Health Policy Workshop put on by HPiG that will be held on Saturday January 21st, 2011. This is a free workshop for students and lunch will be provided.
- **Student Council Blog and Facebook Page** (Traci Saito): Facebook page was started a couple months ago. Traci is looking for people to like the Facebook page so that it gains popularity. This is a great way for people to see new events.
- **Activities Updates** (5 Minutes):
- **Intramurals** (Heather Ennis): We are in the 5th week of intramurals. There will not be any volleyball during the week of Thanksgiving. There will also not be any intramurals during construction. They are looking for an alternate gym space or to join city leagues.
- **Halloween Celebration Recap** (Jesse Hollander): It was a great success. One of the servers didn't show up. And there were no faculty judges (possibility for next year). Overall it went really well though.

Next Meeting: Friday, December 9th, 2011, 12:00-1:00/1:30pm MRB 310
