  - **Reserve Account** update (Jesse Hollander): Every year, extra funds that have not been used in our budget roll over into a reserve account. There is anywhere between \$500,000 and \$1 million in the account. We can use it for either a program that we want to create or a big project that we want to instigate. We will have to make a proposal for the idea that we want to use for this money in this reserve account. We will brainstorm and formulate ideas for this purpose. Please email [risley@ohsu.edu](mailto:risley@ohsu.edu) if you have any ideas.
  - **Collaborative Life Science Building (CLSB):** Student Center Update: The architects of the CLSB have put together a sketch of the student life lounge area. It is now a rough sketch of the area but we will continue to be on the committee that plans for this area in the new building. The conversation with the student center and this lounge area is to have a recreation center down there and possibly move part of the student center to the South Waterfront. There are thoughts to have a projector or a big screen TV in the area. We are looking for ideas about the lounge area, please email Nate Risley at [risley@ohsu.edu](mailto:risley@ohsu.edu).
  - **Halloween Party** (Nate Risley): Will be held Friday October 28<sup>th</sup>, 2011 in the CROET Atrium. It will start at 7pm and go till 10:30pm.
