How Safe is Your Home?

**Yes**  **No**
- The path to my front door is even and there is a handrail at the front and back door.
- Outdoor lights at my front and back door turn on automatically at night if someone moves in front of them.
- There is no clutter on my floor, and no area rugs.
- My house number is clearly visible from the street.
- There are sturdy grab bars around my toilet and bathtub or shower.
- My bathtub or shower have a non-slip surface.
- The water temperature is set at no higher than 120 degrees (to prevent scalding).
- I can easily reach a light and the phone from my bed.
- I have emergency phone numbers in a clear location near the telephone.
- I have good lighting in each room, and nightlights to get to and from the bathroom at night.
