

11th Annual Pacific NW Prostate Cancer Conference

Saturday, October 22nd, 2011

8:30 – 4:30 pm (Check-in begins at 8:00 am)

WHO SHOULD ATTEND

This program is intended for patients with prostate cancer, their families and loved ones, men at risk for prostate cancer, advocates for progress against prostate cancer, and all members of the public with an interest in prostate cancer.

CONFERENCE DESCRIPTION

This conference will provide a state-of-the-art update on prevention and early detection of prostate cancer, treatment of localized prostate cancer, medical management of advanced prostate cancer, and current status of knowledge about the role of nutrition in prostate cancer. In addition, the program will provide insights into coping with the diagnosis of prostate cancer and address sexuality in prostate cancer survivors. Highlights of recent scientific progress and a survey of current clinical trials likely to change the standard care in the coming years will be prominently featured. This program will include ample opportunities for audience participation.
