Administrator

Don C. Glazier

Date _____

Welcome _____,

The OHSU Department of Dermatology is looking forward to seeing you at the Morphology Conference which takes place every **Wednesday** morning at **7:30 am**. The Morphology Conference is a patient care and education conference attended by OHSU and community doctors and trainees. The conference serves two beneficial purposes: 1) you and your dermatologist gain additional medical opinions on the diagnosis and treatment options for your skin condition, and 2) your participation assists with the important teaching mission of the University by providing valuable education for our dermatologists in training and medical students.

Please review the following important information. You can reach us at 503-418-3376 or 888-482-7546 if you have any further questions or need additional directions.

Location:

Please follow the enclosed directions to OHSU's offices called the Center for Health & Healing in Portland's South Waterfront area. Parking is located in an underground parking garage adjacent to the building (marked by a large yellow sign). After you park, take the parking elevator to the lobby. After arriving in the lobby, proceed to the main elevators, directly behind the parking elevators. The Morphology Conference is in the Department of Dermatology clinic on the 16th floor. Take the elevator to the 16th floor and follow the signs to check in.

Check in: Please check in at the front desk on the 16th floor by 7:20 am. Please let the receptionist know that you are checking in for the Morphology Conference. You will be given some paperwork to fill out.

Your Visit: Once you have filled out the paperwork, you will be taken to a private examination room. Many doctors and trainees will examine your skin. This process will take approximately 30 minutes.

Patient Follow-up: Be sure to leave your contact information with your dermatologist as he/she will contact you by phone or e-mail shortly after the conference with a summary of the discussion and recommendations from the conference. We hope that this will be an interesting, valuable, and beneficial experience for you.

Cost: There will be no charge for this visit. Your insurance will not be billed.

Your parking is free and will be validated by the Department of Dermatology at the end of the conference.
