

Successful Living with Diabetes One Should Not Be a Lonely Number

Finally, a Program Specifically for Type 1 Diabetes!

Diagnosed with type 1 diabetes “years ago”, but you’ve never had a chance to take a comprehensive course on type 1 diabetes?

Newly diagnosed and want to learn more?

Benefit from meeting and interacting with others with type 1 diabetes!

Sign up for our *Successful Living with Diabetes* program today to learn more about living a long, healthy and happy life with type 1 diabetes.

During this comprehensive 9 hour program (3 or 4 ½ hours each session) you will learn about carbohydrate counting and healthy eating, intensive insulin therapy including carbohydrate to insulin ratios and correction factors, insulin pump therapy, continuous glucose monitoring with a sensor, and current research and future technological advances.

The Harold Schnitzer Diabetes Health Center Successful Living with Diabetes Program has been recognized by the American Diabetes Association for Quality Self-Management Education and is taught by a team of Certified Diabetes Educators.

This program is covered by most insurance plans. A referral from an endocrinologist is required before attending this program. To register for an upcoming program, please call 503.494.3273.

For a calendar of upcoming programs, please see the opposite side of this flyer.
