

Parking for the Molly Pessl Conference has Changed!

Easier, Cheaper, and a free Tram Ride!

Recognizing that parking on the “hill” is not always easy we have made arrangements to have conference participants park on the SW Waterfront in our Schnitzer Lot. From there a shuttle bus will take you the few hundred yards to the bottom of the OHSU Aerial Tram. You will be given a free pass to ride the Tram when you get your parking pass for the lot. **This lot is \$7 per day.**

OHSU employees who currently have On-Hill parking may continue to use their normal parking routine.

Once you get off at the top of the Tram, signage will lead you to Doernbecher Children’s Hospital. Upon entering the Doernbecher 9th floor walkway, take the elevators at the end of the hall to the 11th floor Vey Conference Center, Miller Auditorium.

Thank you for registering and we are looking forward to hosting a rewarding educational experience.
