

Injury prevention day!

There will be raffles all day for free safety equipment like bike helmets, cabinet locks, and outlet covers.

Looking for helmets? Bike helmets for children and adults will be professionally fitted and sold all day for \$5.

There will be many fun and **interactive exhibits** for children to learn how to stay safe. Children can learn about pedestrian safety and see the inside of an ambulance.

June 5th 10:30 am – 4:00 pm

Doernbecher Children's Safety Center in partnership with Kohl's Department Stores presents the new Kohl's Safety House.

Throughout the day, many of Portland's community programs and family resource centers will be present to help parents learn more about the support available to families in their area.
