

**25th Annual Northwest States Trauma Conference
May 7-9, 2014**

FACULTY DISCLOSURE INFORMATION

In accordance with the requirements of the Standards for Commercial Support of the Accreditation Council for Continuing Medical Education, each instructor and member of the planning committee has been asked to disclose any relevant financial relationships with commercial interests that produce health care goods or services. The information disclosed for this activity is listed below.

In addition, the planners and instructors listed have agreed that all recommendations involving clinical medicine will be based on evidence that is generally accepted within the profession as adequate justification for their indications and contraindications in the care of patients; that all scientific research used in support or justification of a patient care recommendation will conform to the generally accepted standards of experimental design, data collection and analysis; and that material to be presented will be made available for advance peer review if requested.
