

Women's Health Research at OHSU

Empowering Women through Contraception

[Current Clinical
Trials and
Research Study
Opportunities](#)

"A History of Empowering Women through
Contraception:
What Does the Future Hold?"

[Our Research
Team](#)

Learn about the various contraceptive methods from
the past to the present. We will discuss advances in
research that have provided several options for
family planning.

[Why Participate?](#)

OHSU Women's Health

Research Unit
