Scott Oswald, Ranee Runnebaum,  
Bonnie Saurer, and Gina Vaccaro**

***Beacon Build Team***

**Linda Stork from Doernbecher Hematology Oncology submitted the following nomination...**

The Division of Pediatric Hematology Oncology at Doernbecher would like to recognize the valiant effort put forth by the 7 primary Beacon build team members, Bonnie Saurer, Julie Dang, Scott Oswald, Ranee Runnebaum, Chevella del Rosario, Cassandra Adams-Murphy and Gina Vaccaro over the past year. They have made the "OHSU Beacon/EPIC chemotherapy treatment plan project" fully functional in record time for all oncology divisions within OHSU. Their dedication and time commitment to the project has been extraordinary, as has their expertise, creativity, and patience. They exemplify the meaning of TEAM and serve as an outstanding example of TEAM cooperation and productivity. They have taken our electronic medical record and order writing system to the next level. Because of their exceptional effort, OHSU will stand as a national leader among institutions whose goal is the safe and efficient treatment of patients with cancer.
