

Oregon Rural Scholars Program

The application cycle for the Class of 2018 is now open.

The ORSP is offered to OHSU School of Medicine PGY-2 students with a particular interest in rural practice. Students interested in practicing rural family medicine, general pediatrics, general IM, psychiatry, or general surgery are encouraged to apply. Students receive additional didactic and course work, mentoring and spend three rotations (rural health, family medicine and one elective) in a rural practice block during third year.

Other features of the program include:

- Can satisfy SOM Core, longitudinal and rural requirements
- ORSP kick-off retreat in Klamath Falls
- Opportunity to apply for Oregon FIRST pre-match program with Klamath Falls Residency Program
- Eligibility for loan forgiveness
