32nd Annual Oregon Rural Health Conference

Statewide Challenges
Local Solutions

October 28-30, 2015
Gleneden Beach, Oregon
**STATEWIDE CHALLENGES — LOCAL SOLUTIONS**

The 32nd annual conference will showcase examples of how rural Oregon health care organizations are forging ahead with health care reform and meeting the challenges head-on. We hope the information shared will be a catalyst for your local solutions.

The conference begins with an interactive discussion on what services rural Oregonians can and should expect from their health care system; a session intended to spark conversation and serve as a starting point in developing a health care services “blueprint” for rural Oregon. The opening keynote speaker is Lynne Saxton, director of the Oregon Health Authority. Ms. Saxton will share her vision for where Oregon’s health care reform will lead us. Lynn Barr of National Rural ACO will help us explore the arena of accountable care organizations, and how they are unfolding in rural Oregon.

This year’s concurrent sessions will enlighten us on practice transformation, improving community mental health, and innovations in patient access and care management. Jane Bolin of Southwest Rural Health Research Center will tell us about Rural Healthy People 2020 and the implications for Oregon. Additional sessions will show how we can prepare psychologists for rural Oregon, address oral health needs, benefit from CCO community advisory councils, navigate workforce incentive programs, improve adolescent and utilize behaviorists in primary care settings. Synopses detailing conference sessions and speakers are on the pages following the conference schedule.

**OBJECTIVES**

- Provide an opportunity to exchange ideas, information, and expertise among individuals and organizations engaged in or concerned with rural healthcare issues.
- Equip participants with the tools to decide the best course of action for their community.
- Provide information on changes affecting the provision of healthcare from community, state and national perspectives.
- Disseminate information and strategies on rural health policy, research, management and practice issues.

**WHO SHOULD ATTEND?**

Rural health advocates including healthcare providers, community leaders, clinic and hospital administrators, board members, policy makers, public health professionals, and healthcare students. This is a great networking opportunity. If you are involved in rural healthcare, this conference is for you!

**HIGHLIGHTS**

**RURAL OREGON HERO OF THE YEAR**

The award ceremony will be held during Thursday’s luncheon from 12 — 1:30 pm.

RURAL HEALTH CLINIC WORKSHOP
WEDNESDAY, OCTOBER 28TH, 2015

AGENDA

9:00 a.m. WELCOME AND INTRODUCTIONS
Maeve Trick, Program Manager for Rural Health Systems: Oregon Office of Rural Health

9:15 a.m. RURAL HEALTH CLINIC BILLING AND NUTS & BOLTS
Katie Jo Raebel: Wipfli LLP Health Care Practice

This session will review the basics of Rural Health Clinics (RHCs) from certification requirements to Medicare cost reporting, including reporting visits, FTEs, and claiming Medicare bad debt. Learn what services are RHC services vs. non-RHC services and how clinics are required to bill for these services.

10:00 a.m. EFFICIENT PARTNERSHIP: RURAL HEALTH CLINICS AND OREGON MEDICAID
Linda Fanning, Analyst: Oregon Health Authority Division of Medical Assistance Programs

This session will review RHC specific Medicaid requirements and items on the horizon.

10:30 a.m. THE PATHWAYS COMMUNITY HUB: A RURAL EVIDENCE-BASED PRACTICE FOR COMMUNITY HEALTH WORKERS
Lisa Ladendorff, Executive Director and Eric Griffith, Pathways Community Hub Coordinator: Northeast Oregon Network

This session will overview the Pathways Community Hub, an Agency for Healthcare Research & Quality evidence-based practice, and describe its implementation in the rural counties of Union, Baker, and Wallowa. It will focus on the use of Community Health Workers and present outcomes of the project to date, including successes and challenges.

11:15 a.m. BACK TO LIVING WELL: NEW RESOURCES, TREATMENTS AND CLINICS FOR CHRONIC BACK PAIN
Sarah Goodlin, Chief of Geriatrics: Veterans Affairs Portland Health Care System

As part of a process improvement process in rural Veterans Affairs (VA) clinics, a team developed a comprehensive approach to back pain that integrates patient educational tools and acupuncture. This session will describe the tools; share video clips and present data from the initial process improvement work. It will review the identified challenges to date as well as the strategies that were developed to overcome them.

12:00 p.m. LUNCH

1:00 p.m. ADJOURN: PARTICIPANTS ARE ENCOURAGED TO JOIN THE ESSENTIAL RURAL SERVICES SESSION AT THIS TIME
SESSION DESCRIPTIONS

WEDNESDAY, OCTOBER 28, 2015

PRE-CONFERENCE MEETINGS & WORKSHOPS

10 a.m.— noon  OREGON ASSOCIATION OF HOSPITALS AND HEALTH SYSTEMS (OAHHS) RURAL HEALTH REFORM INITIATIVE (RHRI) AND SMALL AND RURAL HOSPITAL MEETING

9 a.m.— noon  .  RURAL HEALTH CLINIC (RHC) WORKSHOP

Noon—1 p.m.  OAHHS, AHEC & RHC WORKSHOP NETWORKING LUNCH

9:30 a.m.— 3 p.m.  STATEWIDE AREA HEALTH EDUCATION CENTERS (AHEC) ADVISORY BOARD (AHEC board members and staff by invitation only)

CONFERENCE OPENS

1—1:15 p.m.  WELCOME & OPENING REMARKS
Scott Ekblad, Director, Office of Rural Health

1:15—3:30 p.m.  DEFINING ESSENTIAL HEALTHCARE SERVICES FOR RURAL OREGON
All agree that the health care services available in a community should reflect the unique needs of that community. But what are the essential services that should be available in all rural Oregon communities? What should one expect in a small rural community as opposed to a large rural community? Why does it even matter? This conversation is happening on state and national levels, and is sure to affect policy for years to come. The Oregon Office of Rural Health, the Oregon Association of Hospitals and Health Systems and the Oregon Medical Association are partnering to begin this conversation. Learn why it is important we reach some consensus on this question and tell us what you think are “essential health care services for rural Oregon.

3:30—4:00 p.m.  REFRESHMENT BREAK—VIEW EXHIBITS

4:00—5:30 p.m.  WEDNESDAY KEYNOTE—OREGON’S HEALTH CARE REFORM: WHERE ARE WE NOW AND WHERE ARE WE GOING?
Lynne Saxton, Director, Oregon Health Authority

Oregon is a leader in health care reform. How has the state done in the last year? Where are we going? How will it impact you?

5:30—7:00 p.m.  CONFERENCE RECEPTION — VIEW EXHIBITS

7:00—8:30 p.m.  OREGON RURAL HEALTH ASSOCIATION (ORHA) BOARD MEETING

SUPPORT RURAL OREGON VOLUNTEER EMS PROVIDERS—REGISTER FOR THE FABULOUS APPLE A DAY CAMPAIGN DINNER, DANCE AND AUCTION!

CLICK HERE TO READ MORE ABOUT THIS YEAR’S SPEAKERS
7:30—8:15 a.m. **BREAKFAST WITH THE OREGON RURAL HEALTH ASSOCIATION**

The Oregon Rural Health Association is YOUR organization. Come and hear what the ORHA is doing for you! Learn how the ORHA is working to affect federal and state policies that will impact rural health in Oregon. This is a great opportunity to learn about what the ORHA will be doing to prepare for the 2016 Oregon Legislative session. This annual meeting is your chance to meet and elect its leadership. Don’t miss it!

8:15—8:30 a.m. **INTRODUCTIONS AND ANNOUNCEMENTS**
Scott Ekblad, Director, Oregon Office of Rural Health

8:30—9:45 a.m. **ACCOUNTABLE CARE ORGANIZATIONS (ACOs) - THE NEW WORLD OF VALUE-BASED PAYMENTS**
Lynn Barr, MPH, Founder & Chief Transformation Officer, National Rural ACO

Ms. Barr will describe the emerging rural health policy landscape and the experience of the first six rural accountable care organizations (ACOs) established under the National Rural Accountable Care Consortium. She will review the projected impact of the Merit-Based Incentive Programs on rural beneficiaries, highlight key policy issues facing rural health payment reform and specific rural issues related to the Medicare Shared Savings Program. She will describe new revenue opportunities for rural providers, and provide real world data and examples from the Participants in National Rural ACOs.

9:45—10:15 a.m. **REFRESHMENT BREAK AND VIEW EXHIBITS**

10:15—11:30 a.m. **CONCURRENT SESSIONS**

**HEALTHY HEARTS NW - TAKING PRACTICE TRANSFORMATION TO THE NEXT LEVEL THROUGH QUALITY IMPROVEMENT**
Caitlin Dickinson, MPH, Healthy Hearts Northwest (H2N) Project Manager, Oregon Rural Practice-Based Research Network (ORPRN)

Healthy Hearts Northwest (H2N) is part of EvidenceNOW, the AHRQ grant initiative to transform health care delivery. Learn how small and medium-sized primary care practices throughout Oregon can build their quality improvement (QI) capabilities and infrastructure, and to transform into learning organizations that engage in sustained, continuous QI.

**PARTNERING TO IMPROVE COMMUNITY MENTAL HEALTH—A COUNTYWIDE APPROACH?**
Bonnie Thompson, RN, MSN, MBA, Senior Operations Partner, Providence Health & Services
Sumuer Watkins, MMPA, PHR, Executive Director, Clatsop Behavioral Health
Louise Nieto, LMFT, Program Manager, Mental/Behavioral Health, Comm. Health Div., Providence Health & Services

This is a presentation of how our community came together to address how we care for patients experiencing a mental health crisis.

- Approach we used
- Research we did
- People we involved
- How we built support
- How we engaged stakeholders

**INNOVATIVE PATIENT ACCESS & CARE MANAGEMENT: A RURAL FQHC MODEL**
Andy Eck, MBA, Regional Director of Operations, Mosaic Medical
Paul Gratton, Consultant & Doctoral Student
Laura Gratton, DO, Medical Director & Family Physician, Mosaic Medical Prineville

Mosaic Medical in Prineville, OR has been successful in expanding patient access through utilizing group visits and remote patient monitoring. In this interactive session challenges and successes will be shared with an aim to equip other clinics with the knowledge needed to better assess patient access and improve health outcomes through alternate patient engagement methods.

12:00 noon—1:30 p.m. **LUNCH, HERO OF THE YEAR AWARD AND VIDEO**

2—3 p.m. **RURAL HEALTHY PEOPLE 2020—IMPLICATIONS FOR THE STATE OF OREGON**
Jane Bolin, RN, JD, PhD, Director, SW Rural Health Research Center, Texas A&M Health Science Center

The growing chasm between the funding and resources afforded urban and suburban populations versus those of rural populations threatens the infrastructure of rural America. This session will provide a review of rural public health needs identified through a national survey of over 1,200 respondents in Rural Healthy People 2020 (RHP2020). Rural Healthy People 2020 builds upon the earlier work in RHP2010 and expands the national Healthy People 2020 initiative by giving a rural focus to the Healthy People 2020 priorities.
Thursday, October 29, 2015 (Con’t)

3—3:30 p.m.  Break and View Exhibits

3:30—5 p.m.  Concurrent Sessions

Preparing a Diversity-Focused Mental Health Workforce to Serve Rural Areas
Nathana Demers, PsyD, Behavioral Health Research & Technical Assistance Associate, Western Interstate Commission for Higher Education (WICHE)

The Western Interstate Commission for Higher Education’s (WICHE) Internship Development Initiative has developed an innovative model for addressing the critical behavioral health workforce shortages in rural areas by exponentially increasing the recruitment and retention of doctoral level behavioral health providers in underserved regions of the United States. This presentation will provide an overview of WICHE’s pioneering model for developing, accrediting, and sustaining internship programs in rural regions, with a focus on diverse populations.

CAC and CCOs—Strengths, Weaknesses and Opportunities
Paul McGinnis, MPA, CCO Integrations Director, Greater Oregon Behavioral Health, Inc. (GOBHI)
Kevin Campbell, CEO, Eastern Oregon Coordinated Care Organization
Megan Gomez, MSW, Project Manager, Lifeways, Inc.

Across the state, Coordinated Care Organizations (CCOs) are intended to improve community health. Local Community Advisory Councils (LCACs) have developed Community Health Improvement Plans based on comprehensive community health assessments. Until the cost curve is bent and savings are accrued in the CCOs and shared with the communities, the LCACs must be creative in finding realistic activities to implement. This session will highlight the strengths, weaknesses and opportunities that LCACs have identified in the current system and the response the EOCCO has made to enhance strengths and address concerns.

Addressing Unmet Oral Health Needs in Oregon
Bruce Austin, DMD, Dental Director, Oregon Health Authority
John Adams, MA, Executive Director, Eastern Oregon Healthy Living Alliance
Nikki Zogg, PhD, Central Oregon Regional Manager-Oregon Community Dental, Advantage Dental

Dental decay is the top preventable infection among children in Oregon. Furthermore, dental decay among both children and adults is more prevalent in rural than urban communities. Access challenges, cultural norms, low oral health literacy, and non-fluoridated water systems are among some of the barriers and challenges that contribute to poor oral health status among health disparities among rural communities. The State Dental Director and representatives from Lake County and Advantage Dental will provide valuable insight and lessons learned in addressing today’s oral health disparities in innovative and collaborative ways.

Remember to register for the Fabulous Apple a Day Campaign Dinner and Auction!
(pre-conference meetings, conference & dinner registrations are on the same site)

5:30—10:00 p.m.  7th Annual Apple a Day Campaign Fundraising Dinner, Dance & Auction:

A Benefit for Rural Volunteer Emergency Medical Responders

Many of us assume that if we have a medical emergency while we’re out exploring Oregon’s beauty, help is just a 9-1-1 call away. That is true, but what you may not realize is that in Many Rural Parts of the State the People Who Respond to That 9-1-1 Call Are Volunteers. Without these volunteers the response to a 9-1-1 call could be hours away.

The Oregon Office of Rural Health, through its Apple a Day campaign, raises funds to help these volunteers pay for their EMS training. As of December 31, 2014 we had made 197 individual grant awards to rural Oregon EMS volunteers for their continuing education costs and 29 grant awards to rural EMS agencies to conduct local trainings for their staff — a total of $172,855 distributed! The 2014 campaign raised over $9,100 which is being distributed during calendar year 2015.

The Apple a Day funds need to be replenished so that every Oregonian knows they can rely on a well-trained emergency medical response when an emergency occurs in a rural Oregon community.

The annual Apple a Day campaign is kicked off each fall with a dinner and auction. This year’s campaign kick-off event will be held Thursday, October 29, 2015 at Salishan Spa and Golf Resort.

Please help us grow this very important program by attending the dinner and auction. It’s a bargain at $65 — great company, great food, and exciting auction items. After dinner, we’ll be dancing to tunes spun by Only The Best Sound Mobile DJ!
FRIDAY, OCTOBER 30, 2015

8:00—9:15 a.m.  NETWORKING BREAKFAST AND STUDENT PRESENTATIONS
Alissa Goodwin & Sara Marroquin

8:15—8:35 a.m.  END OF LIFE CARE IN OREGON
Goodwin will discuss POLST form efficacy and use in Oregon and specifically Blue Mountain Hospital in John Day, Oregon.

8:35—8:55 a.m.  RURAL MEDICINE, POLICY CHANGE, AND BEACHES
Marroquin will be present on her experience at North Bend Medical Center in Coos Bay, OR as an Oregon Rural Scholar and about her project there on changing the policy for when lipid panels can be drawn.

8:55—9:10 a.m.  An Update on the Area Health Education Centers

9:15—10:15 a.m.  CONCURRENT SESSIONS

THE ROLE OF INCENTIVE PROGRAMS IN ATTRACTING A RURAL WORKFORCE
Scott Ekblad, Director, Office of Rural Health
Hilary Henderson, MPA, Loan Programs Specialist, Oregon Office of Rural Health
Marc Overbeck, Director, Oregon Primary Care Office, Oregon Health Authority

What is the future of provider incentive programs in Oregon and how can you use them to help meet your workforce needs.

IMPROVING ADOLESCENT HEALTH & SOCIAL DETERMINANTS OF HEALTH IN RURAL HIGH SCHOOLS
Megan Gomez, MSW, Project Manager, Lifeways, Inc.
Crystal Clifford, Certified Community Health Worker, Lifeways

The Adolescent Health Access (AHA!) Community Health Worker Program, piloted the use of Community Health Workers to improve adolescent health and social determinants of health in a rural high school setting. This project showcases the use of Community Health Workers to reach hidden and disengaged youth within the Hispanic and parenting populations. Attendees should expect to gain tools to replicate this program in clinic and behavioral health clinic settings with a strong relationship to high schools and educational service districts. They will also hear early results of this small pilot, and the intent to replicate to additional schools. This pilot, funded by EOCCO Transformation Funds to the local Malheur Community Advisory Council.

WALLOWA COUNTY PATIENT ACTIVATION PROJECT—CERTIFIED BEHAVIORIST INTERVENTION IN PRIMARY CARE
Keli Christman, Practice Administrator, Winding Waters Clinic
Lisa Ladendorff, LCSW, Executive Director, NE Oregon Network

This project will present two years’ worth of outcome data detailing results to date on a Certified Behaviorist Intervention provided in a primary care setting. The project is a Health Resource Service Administration Office of Federal Rural Health Policy funded demonstration project implemented by a consortium of three providers. This project tracks the impact of the intervention on A1C, blood pressure, LDL, BMI, tobacco use, and patient activation measure indicators.

10:15—10:30 a.m.  BREAK

10:30—11:30 p.m.  OREGON'S GOVERNOR KATE BROWN—INVITED

11:30—noon.  WRAP-UP AND PRIZES

CLICK HERE TO REGISTER
