

Hi ALL,

Below is a summary of the meeting expectations from the Rural Health Clinic workshop 2008 in Bend. I will provide some brief information links or sites that will be helpful as well as updates.

- Share information and learn
Please make certain you are signed up to the RHC egroup list serve on our website
- Learn new policies and cost reporting information
- New CMS regulations
These are posted on our website at www.ohsu.edu/oregonruralhealth or on the National Association of RHCs at www.narhc.org
- RHC organization resources
- Networking and Oregon contacts
The 2008 RHC report and the ORH website has all of this information
- Ideas on how to stay afloat
2008 RHC report
- Get clued in on RHC information
2008 RHC report
- EMR, financial information
Dr. Carlson's presentation is posted on our website
- Education opportunities
National Association of Rural Health Clinics host several trainings along with the state office
- How to retain pediatric services
I would first recommend contacting the ORH to help the clinic determine how many potential pediatric visits are possible. Not much one can do if the community does not have a younger population.
- Information on MMIS
