

The **Oregon Health Career Center (OHCC)** in partnership with the **Coalition of Community Health Clinics**, the **Oregon Primary Care Association**, and the **Oregon Office of Rural Health**, invite you to apply through a competitive process to host an **Oregon Health Service Corps (OHSC) AmeriCorps** member at your clinic or hospital.

Up to **20 AmeriCorps members** will each serve **1700 hour/11 month terms of service** within patient care teams in clinics and hospitals throughout Oregon.

An exciting  
**OPPORTUNITY**  
to **BUILD**  
**CAPACITY**  
with an  
**AMERICORPS**  
placement at  
**YOUR CLINIC**

## PROGRAM BENEFITS

- A new and valuable resource that supports Oregon clinics and hospitals to enhance patient care and health outcomes.
- AmeriCorps members are integrated into your clinic/hospital's team, and are supervised by your staff.
- AmeriCorps member activities support care teams to enhance coordinated care and connect patients to resources.
- Provides meaningful service opportunities in community health for motivated AmeriCorps members.
- AmeriCorps members receive on-going **health specific training**, on topics including:
  - Health disparities
  - Patient relations
  - Cultural sensitivity
  - Health outreach
  - Health education
  - Primary care environment
  - Disaster preparedness
