Webinar
Overview

• About the Oregon Employment Department’s data

• Data highlights and trends

• Review detailed data by occupation

• Questions?
Where do we get our workforce and wage data?
- Surveys
- Unemployment insurance tax records

What does it include and not include?
- Occupational titles are based on a federal list of titles
- Self-employed data not included
- Wages are based on what employers are paying when they are surveyed. Not directly tied to education or experience.

How often is the data updated?
One out of every 12.5 jobs in Oregon in 2012 is in a Healthcare Occupation.
