OVV Rollout: Other Updates

• Welcome, Marissa!

• New website launched
Occupational Health

• Medical Clearance Exceptions are still being made:
  – Indirect: Skip TB requirement
  – Direct: 1 round in ≤12 months acceptable to start
  – Hep B: email vaccination records

• Exceptions are in effect until further notice from OVV & Occupational Health

• Changes to new employees receiving services before start date does not impact OVV applicants

• New Instruction forms are being rolled out this week (11/14/16) – 1 version with options pre-selected by OVV*
  (*West campus has their own version)
Advanced Reporting

• OVV was a pilot group

• Easier to request (less info required)

• Better access to view status (have they responded, what states/counties haven’t replied, if a detailed review is occurring, etc.)

• Maintained ability to provide HR input when detailed review is required

• O2 Online form for volunteers and visitors has been deactivated

• Summer expediting options may be available
Looking Forward: FY 17

• Visiting physicians

• Online orientation for visiting physicians & visiting scholars

• International visitors & volunteers process clarification

• Ongoing: Streamlining processes
Looking Forward: FY 18

- Students on clinical rotation & practicum
- Requesting increased staff support
- Summer Registration support resources
  - turnaround times
  - frequent orientations
- Streamlining & process improvements
