

A research opportunity is
out there for **everyone**.

OHSU joined ResearchMatch.
Now **you** can, too.

WHAT IS RESEARCHMATCH?

It is a registry of volunteers willing to learn about, and possibly participate in, research studies.

Research needs both volunteers and researchers. ResearchMatch helps bring these two groups together in a secure and convenient way.

HOW DO I GET INVOLVED?

Signing up is free and anyone can join. Learn more about ResearchMatch and consider joining the registry today!
