**For Embryo Transfers to obtain a live infant:
Investigators must have IACUC approval to add infant(s) prior to having the transfer performed. The infant will be assigned to the Investigator's IACUC at the time of birth.

All associated charges including: Lease and set-up fees, per diems and/or nursery care as well as perdiems for the dam if dam is used to raise infant will be the responsibility of the Investigator.

See: Breakdown of Prices for item costs
