Final Report Upon Termination of Project

PI: Michael Miller
Short Study Title: Effects of e-Learning
IRB Number: IRB00000063
Study Status: Active

Federal guidelines require a final report upon the termination of a human-subjects research study. Please request termination only if no subjects are treated or followed, all data are gathered and analyzed, and any final report(s) or publication(s) are complete.

The number of subjects approved for this study:

2. On all currently active and future projects, please begin recording and submitting subject data using the table formats of questions 2a and 2b. List number of consented subjects by ethnicity, race, and gender (report total number over the life of the project). The totals of tables 2a and 2b must be equal.

4. Have subjects been withdrawn from the research by the investigator?  C  No
   If yes, use an attachment to list the number of subjects withdrawn and an explanation for each withdrawal.

5. Have adverse experience(s), reportable per OHSU policy, occurred since your last IRB review?  C  Yes  C  No

6. If yes, do you have documentation of IRB receipt, review, and approval?  C  Yes  C  No

6. Please provide a summary of your research findings. Include a summary of any recent literature, amendments or modifications to the research since the last IRB review, reports of multi-center trials and any other relevant information. Also include information about findings (either good or bad) that should be disclosed to subjects in the study. Discuss the rationale for and method of notification to subjects. You may also upload this summary on a separate report on the documents page (which you will be taken to next).
