MEDICAL STUDENT INFORMATION REGARDING DRUG TESTING

OHSU requires all faculty, staff, residents and students who are involved in patient care to have a drug screening test. The information provided below is to assist you with complying with that policy.

Testing Deadlines:
Entering Medical Students – Must complete drug testing between August 1, 2013 and no later than Saturday, September 14, 2013.

Instructions for Student Testing:
♦ Report to collection site within the specified timeframe.
♦ When you report for testing be sure to specify the School or Program for which you are registered.
♦ Bring Photo ID with you.
♦ Refrain from drinking liquids prior to collection.

Authorized Collection Sites – For hours of operation contact the collection site
