26th International Symposium on Adult Congenital Heart Disease, Skamania Lodge, Stevenson WA, June 1st – 4th 2016

Call for Abstracts

4 oral presentations and 30 poster presentations will be selected.

Deadline: March 31st, 2016
Notice of Acceptance April 30th, 2016
Oral Presentations: June 1, 2016
Poster Presentations: June 1-3, 2016

Instructions

Participants are encouraged to submit research abstracts to be presented at the 26th International Symposium on Adult Congenital Heart Disease.

Abstracts must be submitted via email to melinda.roll@seattlechildrens.org, no later than 03/31/2016.

Abstracts are limited to one page of text including any tables/figures saved in PDF format.

The top of the abstract should include:

Name of presenter, Authors, all author affiliation(s)

Abstract title.

Please do NOT include the name of your institution or program in the body of the abstract.

The Abstract structure should include Background, Methods, Results, and Conclusions.

Abstracts will be considered for all facets of adult congenital heart disease (ACHD) care, including outpatient care, intensive care unit management, ACHD nursing, ACHD intervention, ACHD electrophysiology, surgical and anesthesia research as well as imaging and diagnostic testing. Work previously presented at local, national or international meetings will be considered for presentation, however material from published manuscripts will not be considered. Faculty members will select abstracts to be presented in an oral or poster format and will notify the submitting author by 4/30/2016.

We are pleased this year to offer accepted abstract presenters a $100 discount on course registration fees. Other expenses (lodging and travel) will not be covered.

Posters should be oriented horizontally to a maximum dimension of 4 feet in height and 8 feet in length.

Please contact Dr. Jason Deen with questions: jason.deen@seattlechildrens.org.
