

CONFERENCE OBJECTIVES

1. Identify the core elements of palliative care and hospice and how they may be integrated into clinical practice by healthcare professionals.
2. Distinguish between appropriate and inappropriate use of the POLST Form in advance care planning.
3. Describe strategies for providing respectful care to patients of diverse cultural backgrounds, conversations near the end of life, and spiritual care.
4. Develop skills in identifying and addressing caregiver fatigue and burnout to promote self-care.

TARGET AUDIENCE

Designed for physicians, nurses, social workers, pharmacists, chaplains, psychologists and other allied health care professionals involved in care of patients with life-threatening illness.
