# Providers by specialty

## Bone and soft tissue tumors

Yee-Cheen Doung, M.D.  
Kenneth Gundle, M.D.  
James B. Hayden, M.D., Ph.D.  
Sarah Jean Baptiste, P.A.-C.

## Foot and ankle

James E. Meeker, M.D.  
Trish A. Otto, D.P.M.  
Michael Schuller, P.A.

## Pediatric orthopaedics

Matthew F. Halsey, M.D.  
Scott Yang, M.D.

## Physical medicine and rehabilitation

Hans L. Carlson, M.D.  
Nels L. Carlson, M.D.  
Megan Ward, M.S., P.A.-C.

## Shoulder, upper extremity and hand

Adam J. Mirarchi, M.D.  
Omar Nazir, M.D.  
Robert M. Orfaly, M.D., F.R.C.S.(C)  
Amy Sothern, P.A.-C.

## Spine

Kara Berent, M.S., P.A.-C.  
Tannia Fleming, P.A.-C.  
Jayme Hiratzka, M.D.  
Clifford Lin, M.D.  
Paolo Punsalan, M.D.  
Megan Ward, M.S., P.A.-C.  
Jung U. Yoo, M.D.

## Sports medicine (nonsurgical)

Rachel Bengtzen, M.D.  
James C. Chesnutt, M.D.  
Melissa Novak, D.O.  
Ryan C. Petering, M.D.  
Hayley Piepmeyer, P.A.-C.  
Samantha Quilici, P.A.-C.  
Sean C. Robinson, M.D.

## Sports medicine (surgical)

Dennis C. Crawford, M.D., Ph.D.  
Andrea S. Herzka, M.D.  
Jacqueline Munch, M.D.

## Total joint reconstruction

Nathan Fennewald, M.S., P.A.-C.  
Thomas W. Huff, M.D.  
Dylan Mangrum, P.A.  
Kathryn Schabel, M.D.

## Trauma

Joann Deutsche, F.N.P.-B.C.  
Darin M. Friess, M.D.  
Brad Yoo, M.D.

To refer a patient  
for a consult, call:

503-494-4567  
or 800-245-6478 toll-free,  
or fax 503-346-6854

# About us

Our team provides comprehensive orthopaedic care, including specialties and subspecialties ranging from oncology to pediatrics, trauma to sports medicine, foot and ankle to spine care, and joint replacement. We also offer pain management, physiatry, rehabilitation, physical therapy, radiology, nontraditional providers and acupuncturists. Blue Cross has rated us as a center of distinction in knee replacements, total joint replacement and spine care.

**Coordinated care for complex conditions.** Our team works closely together to treat difficult problems that may require multiple specialists, including support from infectious disease for trauma, joint, spine and tumor care. Our bone and soft tissue tumor team provides a multidisciplinary approach with experts including orthopaedic surgeons, oncology surgeons, oncologists, musculoskeletal radiologists, radiation oncologists and pathologists. We are also a regional leader for spinal deformity surgery, including adult scoliosis treatment.

**Thoughtful approach.** While we offer total joint replacement, we also aim to preserve existing joints and native body parts as long as possible, and provide treatments including cartilage transplantation, hip arthroscopies and pelvic osteotomies.

**Constant communication, simple access.** Our goal is frequent communication with you about your patient's condition, treatment and prognosis. We also understand your time is valuable; you can easily refer a patient by sending us a fax, call us for patient consultations, and get easy, secure online access to your patient's medical record via OHSU Connect.

**Groundbreaking research.** Our ongoing clinical research projects include:

- Cartilage transplantation and resurfacing
- Innovative and new treatments for fractures
- Gait and balance problems related to the spine
- Functional results of spine surgery
- Cell-based treatment of chondral and osteochondral defects
- Concussion management
- Carpal tunnel treatment
- Hip arthritis treatment
- Spondylitis
- Pediatric and adult sarcoma care

Provider profiles

**Bone and soft tissue tumors**

**Yee-Cheen Doung, M.D.**  
**Academic appointment:** Assistant professor  
**M.D.:** Albert Einstein College of Medicine, Bronx, N.Y.  
**Residency:** Orthopaedic surgery, New York University Hospital for Joint Diseases, New York, N.Y.  
**Fellowship:** Musculoskeletal oncology, University of Texas MD Anderson Cancer Center, Houston, Texas  
**Board certification:** American Board of Orthopaedic Surgery  
**Specialty:** Bone and soft tissue tumors  
**Special interests:** Malignant and benign bone and soft tissue tumors in pediatric and adult patients, total joint replacements and revisions, orthopaedic manifestations of inflammatory arthropathies and metabolic bone disease

**Kenneth Gundle, M.D.**  
**Academic appointment:** Assistant professor  
**M.D.:** Harvard Medical School, Boston, Mass.  
**Residency:** Orthopaedic surgery, University of Washington/ Harborview Medical Center, Seattle, Wash.  
**Fellowship:** Musculoskeletal oncology, University of Toronto, Toronto, Canada  
**Board-eligible:** American Board of Orthopaedic Surgery  
**Specialty:** Bone and soft tissue tumors  
**Special interests:** Malignant and benign bone and soft tissue tumors in adult and pediatric patients, sarcoma, limb salvage, pelvic and sacrum tumors, metastatic bone disease, pathologic fractures  
**Research interests:** Patient-centered and patient-reported outcomes, medical/surgical education, mobile health/activity monitoring, translational technologies

**James B. Hayden, M.D., Ph.D.**  
**Academic appointment:** Assistant professor  
**M.D./Ph.D.:** Oregon Health & Science University, Portland, Ore.  
**Residency:** Orthopaedic surgery, Oregon Health & Science University, Portland, Ore.  
**Fellowship:** Musculoskeletal oncology, Massachusetts General Hospital, Boston, Mass.  
**Board certification:** American Board of Orthopaedic Surgery  
**Specialty:** Bone and soft tissue tumors  
**Special interests:** Malignant and benign bone and soft tissue tumors in pediatric and adult patients, total joint replacements and revisions, orthopaedic manifestations of inflammatory arthropathies and metabolic bone disease

**Sarah Jean Baptiste, P.A.-C.**  
**Academic appointment:** Instructor  
**P.A.-C.:** Mercy College, Dobbs Ferry, N.Y.  
**Board certification:** National Commission on Certification of Physician Assistants  
**Specialty:** Bone and soft tissue tumors

Foot and ankle

**James E. Meeker, M.D.**  
**Academic appointment:** Assistant professor  
**M.D.:** University of North Carolina at Chapel Hill, Chapel Hill, N.C.  
**Residency:** Orthopaedic surgery, University of North Carolina at Chapel Hill, Chapel Hill, N.C.  
**Fellowships:** Foot and ankle, Harborview Medical Center, Seattle, Wash.; Trauma, Cedars-Sinai Medical Center, Los Angeles, Calif.  
**Board certified:** American Board of Orthopaedic Surgery  
**Specialty:** Foot and ankle, trauma  
**Special interests:** Chronic and acute foot and ankle pathology

**Trish A. Otto, D.P.M.**  
**Academic appointment:** Assistant professor  
**D.P.M.:** Ohio College of Podiatric Medicine, Cleveland, Ohio  
**Residency:** Chief resident, Podiatric Medicine and Surgical Residency, Johnson City, N.Y.  
**Board certification:** ABPS Board certification in forefoot surgery (ABPS-eligible in rear foot surgery)  
**Specialty:** Podiatry  
**Special interest:** Podiatry

**Michael Schuller, P.A.**  
**Academic appointment:** Instructor  
**P.A.:** Nova Southeastern University, Ft. Lauderdale, Fla.  
**Board certification:** National Commission on Certification of Physician Assistants

Pediatric orthopaedics

**Matthew F. Halsey, M.D.**  
**Academic appointment:** Associate professor  
**M.D.:** Vanderbilt University, Nashville, Tenn.  
**Residency:** Orthopaedics, State University of New York at Stony Brook, Stony Brook, N.Y.  
**Fellowship:** Pediatric orthopaedics, Shriners Hospital for Children, Portland, Ore.  
**Board certification:** American Board of Orthopaedic Surgery  
**Specialty:** Pediatric orthopaedics  
**Special interests:** Spinal surgery, pediatric skeletal injuries and disorders, particularly club foot, hip dysplasia and scoliosis, pediatric orthopaedic trauma  
**Research interests:** Early onset scoliosis and adolescent idiopathic scoliosis

**Scott Yang, M.D.**  
**Academic appointment:** Assistant professor  
**M.D.:** Northwestern University, Chicago, Ill.  
**Residency:** Orthopaedic surgery, University of Virginia, Charlottesville, Va.  
**Fellowship:** Pediatric orthopaedics, Children's Hospital Los Angeles, Los Angeles, Calif.  
**Specialty:** Pediatric orthopaedics  
**Special interests:** Scoliosis and pediatric/adolescent spinal conditions (including early onset, idiopathic, congenital and neuromuscular scoliosis), pediatric hip conditions, limb deformity, fractures and pediatric orthopaedic trauma  
**Research interests:** Pediatric spinal deformity, pediatric orthopaedic trauma

**Physical medicine and rehabilitation**

**Hans L. Carlson, M.D.**  
**Academic appointment:** Associate professor  
**M.D.:** Oregon Health & Science University, Portland, Ore.  
**Residency:** Physical medicine and rehabilitation, Harvard University/Massachusetts General Hospital/Spaulding Rehabilitation Hospital, Boston, Mass.  
**Fellowship:** Sports medicine, University of Illinois, Chicago, Ill.  
**Board certification:** American Board of Physical Medicine and Rehabilitation  
**Specialty:** Physical medicine and rehabilitation  
**Special interests:** Sports and running injuries, back pain, knee and shoulder injuries, orthotics, prosthetics and electromyography (EMG)  
**Research interests:** Spinal stenosis, cervical stenosis, lumbar stenosis and relationship of imaging abnormalities to functional impairments

**Nels L. Carlson, M.D.**  
**Academic appointment:** Associate professor  
**M.D.:** Oregon Health & Science University, Portland, Ore.  
**Residency:** Physical medicine and rehabilitation, Harvard University/Massachusetts General Hospital/Spaulding Rehabilitation Hospital, Boston, Mass.  
**Fellowship:** Neurophysiology (EMG), Brigham and Women's Hospital, Boston, Mass.  
**Board certification:** American Board of Physical Medicine and Rehabilitation  
**Specialty:** Physical medicine and rehabilitation  
**Special interests:** Spine pain and rehabilitation, neuromuscular disorders, sports and running injuries, knee and shoulder injuries, orthotics, prosthetics and electromyography (EMG)  
**Research interests:** Spinal stenosis, cervical stenosis, lumbar stenosis and relationship of imaging abnormalities to functional impairments, degenerative spine, spine arthritis and exercise-based management of spine pain

**Megan Ward, M.S., P.A.-C.**  
**Academic appointment:** Instructor  
**P.A.-C.:** Western University of Health Sciences, Pomona, Calif.  
**Board certification:** National Commission on Certification of Physician Assistants  
**Specialty:** Non-operative treatment of neck and back pain, physical medicine and rehabilitation, running and sports-related injuries affecting the shoulder, hip, and knee

Shoulder, upper extremity and hand

Adam J. Mirarchi, M.D.

**Academic appointment:** Assistant professor  
**M.D.:** Temple University School of Medicine, Philadelphia, Pa.  
**Residency:** Orthopaedics, University Hospitals of Cleveland, Cleveland, Ohio  
**Fellowships:** Research, University Hospitals of Cleveland, Cleveland, Ohio; Harvard Hand and Upper Extremity – Brigham and Women’s Hospital, Boston, Mass.  
**Board certification:** American Board of Orthopaedic Surgery; Certificate of Added Qualifications in Surgery of the Hand  
**Specialty:** Shoulder, elbow and hand  
**Special interests:** All adult hand, elbow and shoulder pain and problems  
**Research interests:** Distal radioulnar joint problems, hand and upper extremity trauma, and patient-reported outcomes and quality of life assessment

Omar Nazir, M.D.

**Academic appointment:** Assistant professor  
**M.D.:** Northeast Ohio Medical University, Rootstown, Ohio  
**Residency:** Orthopaedic surgery, Wake Forest University Baptist Medical Center, Winston-Salem, N.C.  
**Fellowship:** Hand surgery, Oregon Health & Science University, Portland, Ore.  
**Board-eligible:** American Board of Orthopaedic Surgery  
**Specialty:** Shoulder, elbow and hand surgery  
**Special interests:** Arthritis of the hand and wrist, nerve compression in the upper extremity, trauma of the upper extremity  
**Research interests:** Dupuytren’s contracture, functional outcomes following hand surgery and trauma

Robert M. Orfaly, M.D., F.R.C.S.(C)

**Academic appointment:** Professor  
**M.D.:** McGill University, Montreal, Quebec, Canada  
**Residency:** Orthopaedic surgery, University of British Columbia, Vancouver, B.C., Canada  
**Fellowships:** Hand and upper extremity surgery, University of British Columbia, Vancouver, B.C., Canada; Shoulder and elbow surgery, University of Texas Health Science Center, San Antonio, Texas  
**Board certification:** American Board of Orthopaedic Surgery  
**Specialty:** Shoulder, elbow and hand surgery  
**Special interests:** Shoulder and elbow replacement, rotator cuff tears, arthroscopy of shoulder, elbow and wrist and minimally invasive treatment of upper extremity injuries

Amy Sothern, P.A.-C.

**Academic appointment:** Instructor  
**P.A.-C.:** University of Southern California, Los Angeles, Calif.  
**Board certification:** National Commission on Certification of Physician Assistants  
**Specialty:** Hand, shoulder and elbow

Spine

Kara Berent, M.S., P.A.-C.

**Academic appointment:** Instructor  
**P.A.-C.:** Pacific University, School of Physician Assistants, Forest Grove, Ore.  
**Board Certification:** National Commission on Certification of Physician Assistants  
**Specialty:** Orthopaedic spine

Tannia Fleming, P.A.-C.

**Academic appointment:** Instructor  
**P.A.-C.:** Charles R. Drew University of Medicine and Science, Physician Assistant Program, Los Angeles, Calif.  
**Board certification:** National Commission on Certification of Physician Assistants  
**Specialty:** Orthopaedic spine

**Jayme Hiratzka, M.D.**  
**Academic appointment:** Assistant professor, Program director, Adult Spine Fellowship  
**M.D.:** University of Cincinnati College of Medicine, Cincinnati, Ohio  
**Residency:** Orthopaedic surgery, Oregon Health & Science University, Portland, Ore.  
**Fellowships:** Spine surgery, University of Utah, Salt Lake City, Utah  
**Board certification:** American Board of Orthopaedic Surgery  
**Specialty:** Orthopaedic surgery  
**Special interests:** Surgical treatment of spinal conditions (cervical, thoracic, lumbar), scoliosis, arthritis and minimally invasive spine fusion  
**Research interests:** Adult deformity/sagittal balance, spondylolisthesis, spine trauma/spinal cord injury

**Clifford Lin, M.D., M.A.Sc., F.R.C.S.(C)**  
**Academic appointment:** Assistant professor  
**M.D.:** Queen's University, Kingston, Ontario, Canada  
**Residency:** Orthopaedics, University of Toronto, Canada  
**Fellowship:** Spine surgery, University of Toronto, Canada  
**Special interests:** Open and minimally invasive techniques, tissue engineering, regeneration of biologic tissues from stem cells  
**Research interests:** Health economic impact of spinal procedures and patient outcomes

**Paolo Punsalan, M.D.**  
**Academic appointment:** Instructor  
**M.D.:** University of the Philippines, College of Medicine, Manila, Philippines  
**Residency:** Philippine General Hospital, Manila, Philippines  
**Fellowships:** Bone and cartilage transplantation and joint revision surgery, Brisbane Private Hospital and Queensland Bone Bank, Brisbane, Australia; Combined neurosurgical and orthopaedic adult spine surgery, University of Calgary Spine Program, Foothills Medical Centre, Calgary, Canada; Pediatric spinal deformity surgery, University of Calgary Spine Program, Alberta Childrens Hospital, Calgary, Canada; Orthopaedic adult spine surgery, Oregon Health & Science University, Portland, Ore.  
**Specialty:** Orthopaedic spine surgery  
**Special interests:** Nonoperative treatment of neck and back pain, scoliosis and spinal deformity  
**Research interests:** Clinical outcomes of operative and nonoperative treatment of disorders of the spine, biomaterilas in animal spinal fusion models

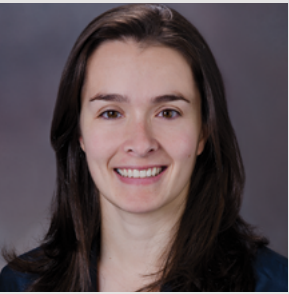

**Megan Ward, M.S., P.A.-C.**  
**Academic appointment:** Instructor  
**P.A.-C.:** Western University of Health Sciences, Pomona, Calif.  
**Board certification:** National Commission on Certification of Physician Assistants  
**Specialty:** Non-operative treatment of neck and back pain, physical medicine and rehabilitation, running and sports-related injuries affecting the shoulder, hip, and knee

**Jung U. Yoo, M.D.**  
**Academic and clinical appointments:** Professor; Department chair, Orthopaedics and Rehabilitation; Co-director, Spine Center  
**M.D.:** University of Chicago School of Medicine, Chicago, Ill.  
**Residency:** Orthopaedics, Case Western Reserve University, Cleveland, Ohio  
**Fellowship:** AO Spine Fellowship, State University of New York Health Science Center, Syracuse, N.Y.  
**Board certification:** American Board of Orthopaedic Surgery  
**Specialty:** Orthopaedic spine surgery  
**Special interests:** Surgical treatment of spinal conditions (cervical, thoracic, lumbar), revision spine surgery  
**Research interests:** Stem cell and biomaterials in spine fusion, complications and outcomes of spine surgery

Sports medicine (nonsurgical)

**Rachel Bengtzen, M.D.**  
**Academic and clinical appointments:** Assistant professor; Assistant program director, Emergency Medicine Residency Program  
**M.D.:** Emory University School of Medicine, Atlanta, Ga.  
**Residency:** Emergency medicine, Oregon Health & Science University, Portland, Ore.  
**Fellowship:** Primary care sports medicine, Oregon Health & Science University, Portland, Ore.  
**Board certification:** American Board of Emergency Medicine, Certificate of Added Qualification in Sports Medicine  
**Specialty:** Sports medicine  
**Special interests:** Returning patients to active lifestyles and preventing injuries, musculoskeletal ultrasound for diagnostic and therapeutic purposes

**James C. Chesnutt, M.D.**  
**Academic and clinical appointments:** Clinical associate professor;  
Medical director  
**M.D.:** Oregon Health & Science University, Portland, Ore.  
**Residency:** Family practice, USAF Regional Hospital, Eglin Air  
Force Base, Fla.  
**Board certification:** American Board of Family Practice  
**Special certification:** Sports medicine  
**Specialty:** Sports medicine (nonsurgical)  
**Special interests:** Diagnosis and nonsurgical treatment of sports  
injuries in the pediatric and adult populations, promoting the  
prevention and treatment of sports injuries in local schools and  
youth groups  
**Research interests:** Concussion education and management,  
health promotion and exercise as medicine, and sports injury  
prevention and treatment

**Melissa Novak, D.O.**  
**Academic appointment:** Assistant professor  
**D.O.:** Midwestern University, Chicago College of Osteopathic  
Medicine, Downers Grove, Ill.  
**Residency:** Family medicine, North Memorial Medical Center,  
University of Minnesota, Minneapolis, Minn.  
**Board certification:** American Board of Family Medicine,  
Certificate of Added Qualification in Sports Medicine  
**Specialty:** Sports medicine (nonsurgical)  
**Special interests:** Sports medicine primary care and family medicine

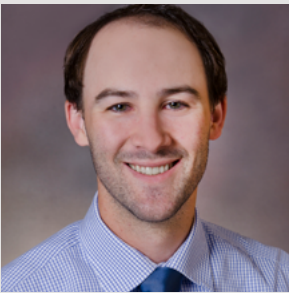

**Ryan C. Petering, M.D.**  
**Academic appointment:** Assistant professor  
**M.D.:** East Tennessee State University, Johnson City, Tenn.  
**Residency:** Family medicine, Oregon Health & Science University,  
Portland, Ore.  
**Fellowship:** Primary care sports medicine, Oregon Health & Science  
University, Portland, Ore.  
**Board certification:** American Board of Family Medicine,  
Certificate of Added Qualification in Sports Medicine  
**Specialty:** Sports medicine (nonsurgical) and primary care for  
athletes  
**Special interests:** Recreational athletes, wilderness medicine,  
education of medical students, residents, and fellows  
**Research interests:** Health promotion and prevention of injury

**Hayley Piepmeyer, P.A.-C.**  
**Academic appointment:** Instructor  
**P.A.-C.:** Massachusetts College of Pharmacy and Health Sciences,  
Boston, Mass.  
**Board certification:** National Commission on Certification of  
Physician Assistants  
**Specialty:** Sports medicine

**Samantha Quilici, P.A.-C.**  
**Academic appointment:** Instructor  
**P.A.-C.:** Oregon Health & Science University, Portland, Ore.  
**Board certification:** National Commission on Certification of  
Physician Assistants  
**Specialty:** Sports medicine, cartilage repair and reconstruction,  
knee and shoulder injuries

**Sean C. Robinson, M.D.**  
**Academic appointment:** Assistant Professor  
**M.D.:** Medical College of Wisconsin, Milwaukee, Wisc.  
**Residency:** Family medicine, Oregon Health & Science University,  
Portland, Ore.  
**Fellowship:** Sports medicine, Oregon Health & Science University,  
Portland, Ore.  
**Board certification:** Family Medicine and Certificate of added  
qualification in Sports Medicine  
**Specialty:** Sports Medicine  
**Special interests:** Ultramarathons (running), mountain biking,  
hiking, skateboarding, snowboarding, and other endurance  
activities.  
**Research interests:** Medical student education, Endurance  
medicine

**Sports medicine (surgical)**

**Dennis C. Crawford, M.D., Ph.D.**  
**Academic and clinical appointments:** Associate professor; Surgical director, sports medicine  
**M.D./Ph.D.:** Boston University, Boston, Mass.  
**Residency:** Orthopaedic surgery, Brown University, Providence, R.I.  
**Fellowships:** Sports medicine (shoulder and knee surgery), University of California at San Francisco, San Francisco, Calif.; Orthopaedic trauma, Brown University, Providence, R.I.  
**Board certification:** American Board of Orthopaedic Surgery, Sports Medicine  
**Specialty:** Sports medicine (surgical)  
**Special interests:** Arthroscopic surgical treatment of sports injuries of the knee and shoulder including ACL, meniscal and rotator cuff tears, cartilage repair, biologic joint resurfacing, osteochondritis dissecans of the knee  
**Research interests:** Cartilage repair, reconstruction and biologic joint resurfacing, osteochondritis dissecans of the knee, cartilage and meniscal transplantation

**Andrea S. Herzka, M.D.**  
**Academic appointment:** Assistant professor  
**M.D.:** University of California, San Francisco, Calif.  
**Residency:** Orthopaedic surgery, Johns Hopkins Hospital, Baltimore, Md.  
**Fellowship:** Sports medicine, University of Pittsburgh Medical Center, Pittsburgh, Pa.  
**Board certification:** American Board of Orthopaedic Surgery  
**Specialty:** Sports medicine (surgical)  
**Special interests:** Management of adolescent and adult athletic injuries, specializing in arthroscopic surgery and the treatment of shoulder, elbow, hip and knee injuries  
**Research interests:** Prevention of female athletic injuries and the treatment of cartilage injuries

**Jacqueline Munch, M.D.**  
**Academic appointment:** Assistant professor  
**M.D.:** University of Michigan Medical School, Ann Arbor, Mich.  
**Residencies:** Orthopaedic surgery, San Francisco Orthopaedic Residency Program, San Francisco, Calif; Oregon Health & Science University, Portland, Ore.  
**Fellowship:** Sports medicine and shoulder surgery, Hospital for Special Surgery, New York, N.Y.  
**Board-eligible:** American Board of Orthopaedic Surgery  
**Special interests:** Treatment of pediatric and adolescent athletes, comprehensive care of patients involved in team sports and interventions for unstable joints  
**Research interests:** Patellar instability, complex shoulder instability, multiligament knee reconstruction and resident surgical simulation training

Total joint reconstruction

**Nathan Fennewald, M.S., P.A.-C.**

**Academic appointment:** Instructor

**P.A.-C.:** Missouri State University, Springfield, Mo.

**Board certification:** National Commission on Certification of Physician Assistants

**Thomas W. Huff, M.D.**

**Academic appointment:** Assistant professor

**M.D.:** University of Iowa College of Medicine, Iowa City, Iowa

**Residency:** Orthopaedics, Case Western Reserve University, Cleveland, Ohio

**Fellowships:** Hospital for Special Surgery/Cornell Weill Medical College, New York, N.Y. (adult reconstruction); Maurice E. Müller Foundation of North America: Balgrist and Schultess Clinics, Zürich, Switzerland; Inselspital, Bern, Switzerland; The Rizzoli Institute, Bologna, Italy; Royal Infirmary, Edinburgh, Scotland (hip surgery); Birmingham, England (hip resurfacing)

**Board certification:** American Board of Orthopaedic Surgery

**Specialty:** Joint replacement and hip preservation surgery

**Special interests:** Minimally invasive hip replacement including anterior approach, mini posterior approach and hip resurfacing; minimally invasive knee replacement surgery; revision hip and knee replacement surgery; periacetabular osteotomy for hip dysplasia; surgical hip dislocation for the treatment of hip impingement, SCFE, Perthes disease, and traumatic disorders

**Research interests:** Outcomes of hip and knee replacement, conservative hip surgery, osteoarthritis

**Dylan Mangrum, P.A.**

**Academic appointment:** Instructor

**P.A.:** Saint Louis University, St. Louis, Mo.

**Board certification:** National Commission on Certification of Physician Assistants

**Specialty:** Total joint reconstruction

**Kathryn Schabel, M.D.**

**Academic appointment:** Assistant professor

**M.D.:** Medical College of Wisconsin, Milwaukee, Wis.

**Residency:** Orthopaedic surgery, University of Utah, Salt Lake City, Utah

**Fellowship:** Adult reconstruction, University of Utah, Salt Lake City, Utah

**Board certification:** American Board of Orthopaedic Surgery

**Specialty:** Adult reconstruction, hip and knee replacement, complex revision joint replacements, hip preservation surgery

**Special interests:** Minimally invasive hip replacement, mini posterior approach, minimally invasive knee replacement, partial knee replacements, complex primary joint replacement, revision hip and knee replacement surgery, surgical hip dislocation for the treatment of the hip impingement, SCFE, Perthes disease, and traumatic disorders

Trauma

**Joann Deutsche, F.N.P.-B.C.**

**Academic appointment:** Instructor

**M.S.:** University of Illinois, Champaign-Urbana, Ill.

**B.S.N.:** Northwestern University, Evanston, Ill.

**Board certification:** American Nurses Credentialing Center

**Specialty:** Trauma, orthopaedics and rehabilitation

**Special interest:** Osteoporosis

**Research interests:** Orthopaedics

**Darin M. Friess, M.D.**

**Academic and clinical appointments:** Associate professor; Vice chairman, Department of Orthopaedic Surgery; Program Director, Orthopaedic Surgery Residency Program

**M.D.:** Tulane University School of Medicine, New Orleans, La.

**Residency:** Case Western Reserve University, Cleveland, Ohio

**Fellowship:** Trauma, University of Minnesota, Minneapolis, Minn.

**Board certification:** American Board of Orthopaedic Surgery

**Specialty:** Trauma and adult reconstruction

**Special interests:** Pelvis and acetabular fractures, simple and complex articular fractures, musculoskeletal infections, lower extremity limb salvage and amputation, complex hip replacement

**Research interests:** Fracture healing and weight bearing, atypical femur fractures, orthopaedic resident education, patient outcomes

**Brad J. Yoo, M.D.**  
**Academic and clinical appointments:** Associate professor;  
Director of Orthopaedic Trauma  
**M.D.:** New York Medical College, Valhalla, N.Y  
**Residency:** Orthopaedics, R. Adams Cowley Shock Trauma Center,  
University of Maryland, Baltimore, Md.  
**Fellowship:** Orthopaedic trauma, Harborview Medical Center,  
University of Washington, Seattle, Wash.  
**Specialty:** Trauma, foot and ankle  
**Board certification:** American Board of Orthopaedic Surgery  
**Special interests:** Basic and complex fractures, soft tissue injuries,  
long bone fractures, minimally invasive fracture surgery, pediatric  
fractures, treatment of fracture nonunions, malunions and infections  
**Research interests:** Fracture construct biomechanics, management  
strategies for complex fractures of the foot and ankle, complications  
and outcomes in fracture surgery

## Services and information

### Traveling Continuing Medical Education (CME)

Our team strives to provide relevant education to fellow health care professionals; one way we do so is through our Traveling CME courses. These one-hour, CME-accredited sessions are facilitated by OHSU physicians and may take place at your clinic, allowing for required education credits to be earned in the convenience of your own offices.

Topics offered include:

- Conservative treatment of spine pain
- Electrodiagnostic interpretation for primary care physicians
- Evaluation of a bone lesion
- Orthopaedic emergencies
- Osteoarthritis of the hip and knee
- Prevention of ACL injuries
- Rotator cuff tears
- Sports medicine and concussions

To learn more about our courses or to schedule a lecture, please contact OHSU provider relations manager Dina Girgenti-lida at 503-494-6535 or email [girgenti@ohsu.edu](mailto:girgenti@ohsu.edu).

## Your Resource for Orthopaedic and Rehabilitation Services

To refer a patient or to connect with an OHSU specialist, call the OHSU Physician Consult and Referral Service at 503-494-4567 or 800-245-6478 toll-free.

You can also stay informed about your patient's care at OHSU through OHSU Connect, which provides secure, HIPAA-compliant online access to your patient's electronic medical record.

### Through OHSU Connect, you'll have real-time access to:

- Lab results, imaging, imaging reports, progress notes, discharge summaries and other medical documentation
- Email notification of select patient activity (e.g., ED visits, abnormal lab results, admissions)
- Secure messaging with OHSU medical staff

To request an individual OHSU Connect account, visit [www.ohsuhealth.com/connect](http://www.ohsuhealth.com/connect) to complete the online registration form. To request access to OHSU Connect for multiple users in your clinic, contact Dina Girgenti-Iida, Provider Relations Manager, at 503-494-6535.

## Clinic locations:

### Marquam Hill

Physicians Pavilion, Suite 430
