

Drug Class Review

Long-Acting Opioid Analgesics

Final Update 5 Report
Evidence Tables

April 2008

The purpose of Drug Effectiveness Review Project reports is to make available information regarding the comparative clinical effectiveness and harms of different drugs. Reports are not usage guidelines, nor should they be read as an endorsement of or recommendation for any particular drug, use, or approach. Oregon Health & Science University does not recommend or endorse any guideline or recommendation developed by users of these reports.

Update 4: April 2006
Update 3: April 2005
Update 2: April 2004
Update 1: September 2003
Original Report: November 2002

The literature for this topic is scanned periodically.
