1. OHSU admission requirements are developed and vetted by each School or College, and recommended to the Provost for approval. Standards may include, but may not be limited to high school graduation, subject requirements, prior college level course work or graduation, standardized test scores, and grades.

2. Standards may vary for residents and non-residents and between schools and programs.

3. Changes in standards must be approved by the Provost in accordance with the procedures established by that School or College.
