

Request for Master Thesis

Advisory Committee

Instructions at <http://www.ohsu.edu/xd/education/schools/school-of-medicine/academic-programs/graduate-studies/admin-resources.cfm>

Note – The Thesis Advisory Committee is appointed by the Program Director to guide and advise the student in the research and preparation of the dissertation document. The committee must be appointed within nine (9) months of matriculating into the graduate program. Programs may require appointment of the committee earlier than the minimum guideline. The Program Director may request permission to appoint to the committee, members that are not graduate faculty, or are outside the university. These requests must include a short letter from the program director and a short NIH-style biosketch for the proposed member(s). **The Associate Dean for Graduate Studies must approve the appointment of each Advisory Committee based upon the recommendation of the Program Director.**
